

**RALEIGH BOOSTERS
IN FAIR PARADE**

Raleigh, N. C., Oct. 6.—Boosting the State Fair has become such a habit with Raleigh that a hundred dive boosters in the Capital City are going to provide the escort for Mrs. Edith Vanderbilt and Governor Morrison in the parade up historic Fayetteville Street. That will feature the official opening of the Fair on Tuesday, October 14th.

The hundred boosters who recently traveled two days by special train on a pilgrimage to tell North Carolina about its State Fair will have the State College brass band of sixty pieces at their head.

Governor Morrison will follow historic precedent when he stands before the assembled multitudes after the parade and proclaims the Fair officially opened. He will likewise follow precedent if he makes his speech brief and to the point.

A speaker of national prominence has been secured to make an address at the State Fair grounds on Wednesday, October 15th, while Thursday the big day of the Fair, will be given over entirely to inspection of exhibits and enjoyment of various recreational features. The State College University football game will be played near the Fair grounds on this day.

Friday, October 17th, will see the end of the State Fair. No exhibits are allowed to be removed until the official close and everything runs in full blast till the closing whistle sounds.

Ample parking grounds for automobiles is assured by the management and record breaking crowds are expected to attend.

**In Loving Memory of
Little Ada Burnette Bates**

Little Burnette was born July sixteenth and departed this life September thirtieth, nineteen twenty-four being two months and a half old.

She leaves to mourn her departure father, mother, five sisters and two brothers.

We can not see why she was taken so soon, but the Lord had a better place for her than we did. It is so hard to give her up, but God's will be done, not ours. Oh! May the Lord help each and every one of us to live a life, so that when we are called to die, we shall meet dear Burnette where there will be no more sad partings on that happy golden shore.

She is sleeping, sweetly sleeping, while we here on earth are weeping. She sleeps that long, sweet sleep.

But we know she is a bright and happy little angel on that happy shore.

Sleep on, sweet Babe,
And take thy rest,
God called thee home,
He thought it best,
Her loving sister,
ANNIE TALLENT.
