 Best of luck to you, Yours.

Advertising in the Press sells the goods.

**FOUR GENERATIONS**

**Texas Lady Says Her Family Has Been Taking Thedford's Black-Draught, When Needed, for Many Years.**

Alto, Texas.—“We inherited the use of Black-Draught in our family,” says Mrs. Mary Shuptrine, who lives near here on R. F. D. 2. “My grandmother was an old woman when she died about ten years ago, and she had been using it literally ever since I can remember. She gave it to her children and grandchildren for biliousness and stomach complaints, so when I went to housekeeping we just naturally used it, too.”

“I give it to my children for a purgative whenever they need one, and we are never without it. Made into tea, it surely is fine. It's the best home remedy for headache and constipation I know of.”

During over 80 years of its continued popularity, Black-Draught has become the standard liver medicine in many thousands of homes, where it has been found of great benefit in the treatment of constipation, biliousness, indigestion and other common liver, stomach and bowel complaints. Ten million packages of Black-Draught are now sold a year, as more and more people are learning of the value of this well-known remedy.

Insist on Thedford's, the only genuine Black-Draught powdered liver medicine. At all dealers'. **NC-154**

**HAPPY BUSINESS RELATIONS**

Some people claim that business relations can not be so pleasant as those of a personal nature. We have not found this to be true. In our dealings with the public we have found that the public appreciates courtsey and fair treatment in business even more so than in personal relations. We in turn appreciate this attitude of the people. We have ever found the public ready to meet us half way to the mutual advantage of both.

And now as the Holiday Season is here we extend to one and all our heartfelt thanks for your patronage and wish for each of you the merriest kind of Christmas and a happy New Year.

**SLOAN BROS. & CO.**
