OUR THANKS EXTENDED

On March 1st we disposed of our business to the Franklin Furniture Company. For 25 years previous to that time we had attended to the wants of this section in the furniture line. During this quarter of a century we made many friends and are vain enough to believe that these friendships still exist.

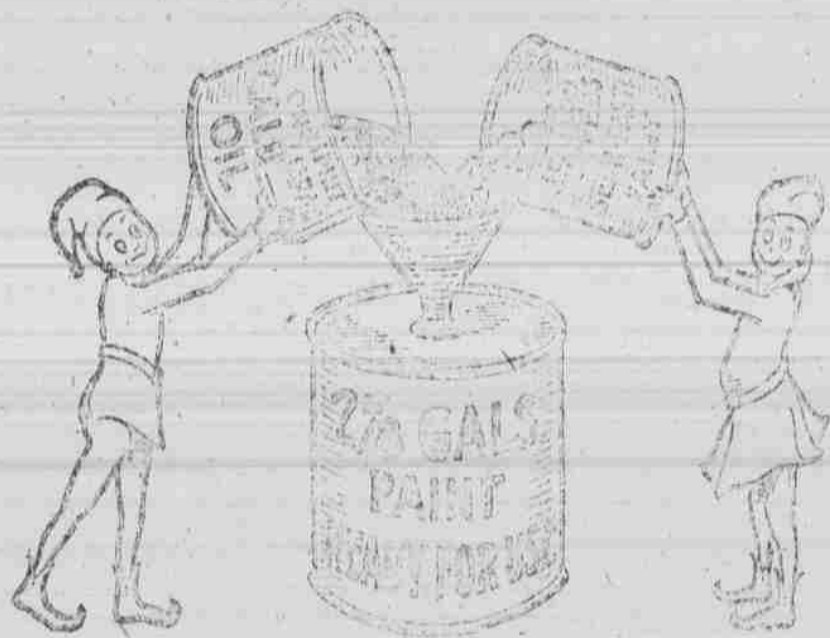

On going out of business we want to extend our thanks to those who have traded with us throughout all these years. We have appreciated your patronage and enjoyed your friendship.

We bespeak for our successors your unfailing courtesy and generous patronage.
