**BILIOUSNESS**

**Retired Minister Tells How He Keeps in Good Form With the Assistance of Black-Draught.**

West Graham, Va.—The Rev. Lewis Evans, a well-known retired minister, now past 80, living here, has a high opinion of Black-Draught, which he says he has taken when needed, for 25 years.

"For years I had been suffering with my liver," he says. "Sometimes the pain would be very intense and my back would hurt all the time. Black-Draught was the first thing I found that would give me any relief.

"My liver has always been sluggish. Sometimes it gives me a lot of trouble. I have suffered a lot with it—pains in my side and back, and bad headache, caused from extreme biliousness.

"After I found Black-Draught, I would begin to take it as soon as I felt a spell coming on and it relieved the cause at once. I can recommend it to anybody suffering from liver trouble. A dose or two now and then keeps me in good form."

Made from selected medicinal roots and herbs, and containing no dangerous mineral drugs, Black-Draught is nature's own remedy for a tired, lazy liver. NC-166

**Let us oil your FORD once**

Lubrication of the Ford calls for a free-flowing oil that reaches all bearing surfaces. We have an oil that fits the Ford car exactly.

"Standard" Polarine Motor Oil for Fords is refined for Ford cars and none other. It is made with the same care that has placed other consistencies of "Standard" Polarine Motor Oils in the front rank of motor oils. We have been using it experimentally on private cars and on our own fleets of Ford cars, until we are sure it is better than other oils for Fords.

You will notice the difference immediately when you change to the new oil, for it does a thorough job of lubricating every Ford it gets a chance at.
