I have done satisfactory work on several of my friends' cars during the last 18 months. Now I am in the business regular and will work on any one's car and guarantee my work for just half or less of what it would cost at the garage. For the countryman I will come to your home and you can see what makes your old bus run. I have had 15 years experience in repairing cars. Write me or phone 1015. Louis Phillips.
