A complete change with its heat and mosquitos is selling at unbelievable prices. found with every half mile toward the "Land of the Sky." Our power dam and every hundred feet.

Fishing, swimming, camping, hunting, motoring are among the out-of-door recreational possibilities. And for those who seek an ideal location for quiet and rest, these sympathetic old mountains offer a sure haven.

This beautiful country is now being opened up to the outside world in an adequate manner. Hard surfaced roads are coming through Macon county, and a very few years will bring hundreds of tourist automobiles where now there is one.

People are coming. The world has discovered us, and somebody will develop our untouched resources. Shall we do this ourselves, or shall we allow outside capital to reap the rich reward which is by heritage ours?

Absolute Auction Sale and the lots are yours at your own price. The lots doubling in value within the year. Frankreat prosperity. Get in on the ground floor. to profit by your good judgment.
