**"JUST TELL 'EM TO SEE ME," SAYS RALEIGH MAN**

**"I Could Talk About This Karnak All Day After Way It Put Me Back On My Feet," Says Howell.**

"I tell you, I got in such bad shape I had to give up my business about nine months ago, and I am thankful to say I am back on the job again this morning—Karnak and Karnak Pills did it."  
 This is the enthusiastic way in which Henry C. Howell, 713 Peace St., in the wholesale and retail poultry business in Raleigh, N. C., for the past 20 years, began the account of his remarkable recovery by means of this sensational medicine the other day.

"I must have had about as bad a case of stomach trouble and nervous indigestion for the past several years as a man ever had, and last August I got to the point where I wasn't able to keep on the

job any longer. I want to tell you I suffered. Everything I ate bloated me up with gas and caused such terrible pain and shortness of breath I could hardly bear it.  
 "I also had a severe case of constipation which kept me in misery all the time and from which I could get no relief. As I said, I just got to the point where I couldn't keep going, that's how bad I felt.  
 "Well, sir, I got hold of this Karnak and the Karnak Pills about ten days ago, and look at me now, back at my business and like a new man.  
 "I just sit down at the table and eat anything I want now without it hurting me one bit afterward. No more bloating, indigestion or gas pains, and the constipation is gone, too. Now if that isn't some medicine, I'd like to know what is. Just have anybody look me up if they want to know more about Karnak—I could talk about it all day."  
 Karnak is sold in Franklin exclusively by the Franklin Pharmacy; and by the leading druggist in every town.
