

## FIRST LYCEUM NUMBER COMING DON'T MISS IT!

Court House, Monday, October 12, 7:30 P. M.

### Loseff's Russian Orchestral Quartet

Offers one of the most popular musical programs en tour. This organization of talented artists appear in their native Russian costume, the platform effect is indeed striking.

The Quartet is composed of two men and two women of the Russian type. All of them are true artists with pronounced individuality. They form a galaxy of musical stars rarely grouped in a moderately priced organization.

H. W. Pilot, Pastor of the Calvary Baptist Church of Cleveland, Ohio says of them: "In fifteen years of buying talent, I have never used a company whose work in every number was so entirely satisfactory. Our large auditorium was packed and every number was enthusiastically applauded. I do not know of another Bureau that sells a company for the same money, that can deliver the goods as satisfactorily as they do."

The bright military costumes of the quartette make an imposing platform appearance and their instrumental and vocal selections are brilliant, varied and masterfully rendered.

This excellent Organization has been secured through The Piedmont Bureau of Asheville under whose exclusive management they are making an extended tour in Southern territory this season.

Good music is an inspiration to any people and those people who have advanced the farthest in music have always attained high degrees of civilization. Knowing this I seek to present to Piedmont patrons high class musical programmes and have great pleasure in recommending the Loseff Russian Quartette to you. Their musicianship is of high rank and their coming will be an event to your community. Give them a large audience and you will not regret it.
