Mr. Wiley Zachary states that if the affirmative wins in the debate to be held at the court house on the night of February 18th, he has some pool tables for sale.

Miss Elizageth Deal was a pleasant visitor to Franklin Wednesday.

Mr. John Thomas is scheduled to preside at the debate at the court house on the night of February 18th. This fact alone, regardless of the debaters, should fill the building.

Dr. J. R. McCracken of Waynesville has sold to Miss Elsie G. Reddick of Raleigh, his lot in East Franklin on the corner of Highway No. 28 and the street that runs by the home of Mr. and Mrs. Neville Sloan.

Mrs. W. T. Moore and Mrs. J. W. Roper entertained the F. S. Johnston Sunday school class in the class room at the Methodist church at 3 p. m. February 10, in honor of Mrs. G. L. McGahee, a member of the class, who leaves with her husband Sunday for Atlanta where Dr. McGahee has accepted a position at a leading drug store. Delicious refreshments were served. To a toast for her happiness in her new home, Mrs. McGahee made a very gracious response.

Refreshments and flowers were also sent to our beloved classmate, Mrs. J. H. Mashburn, who is ill at her home in Franklin.

Rev. Wallace and Family Write to Franklin Friends

Lockhart, S. C.
My Dear Major Harris:

Through you as a warm personal friend and your paper which I have always praised, permit me to say "howdy" to my friends and at the same time say good by to those friends whom I did not get to see at the last hour of departure.

We left in pell-mell style, for we were trying to make a "double-header" schedule. Part of the family left by auto and part by rail and we were watching the signs for fair weather. Surely there were never two prettier days in the winter to travel; all got along fine and we all reached this place at the same time to find a real old-fashioned welcome.

Every thing had been done to make the Manse comfortable. Fresh paint was much in evidence; shavings and sawdust marked the presence of carpenters. One room had been enlarged into a 22 foot living room. French glass doors had been hung in the hall and both kitchen doors had given place to glass doors. The ladies had fairly swarmed at the pantry for the shelves were sagging with their load of every good thing to eat.

If you ever intend to visit us come now while times are good.

The church at Lockhart will engage all my time except that given to one country church three and one-half miles out. Our prayer meeting thermometer went up to 45 last week which is quite a good temperature for a small congregation.

The whole family like this place very much and it is certainly an interesting place with the Monarch Cotton Mill as the central attraction running day and night. Looking down upon it from our house at night it is a beautiful sight all aglow with lights.

We are not unmindful that we have left the prettiest place in all the world and, too, we are neither unmindful nor forgetful of our many friends back in good old Macon county.

It will always be a pleasant memory that we were not asked to leave nor were we crowded out but left on our own responsibility feeling that it was best.

There is a saying around here that if you stick to this mud through the summer it will stick to you through the winter. Well, it "sure is sticky" just now but we hope to shed it in the hot weather and come on a camping trip to Franklin.

We read the Press now with a new interest. "There's a reason."

With good wishes for all, we are
THE WALLACE FAMILY.
