### Gold Mine Locals

The weather has been very cold for this season of the year, the thermometer standing at zero Sunday morning, March 14, and we have had a large snow on the 11th. The snow was ten inches deep in this section. The people had been gardening some before the young winter set in.

There is some folks sick in this community. We hope for them a speedy recovery.

Miss Ruby McCoy has returned to her home from Franklin high school. We hope she will soon be able to return to her school.

We are hardly expecting our pastor Rev. Floyd Dendy, to fill his appointment this time, on account of the weather, although he is prompt to come at his regular time. Rev. Dendy is a highly honored man in this community because he takes the Bible as his foundation for what he is doing. Our retired pastor took for his leading sermons, bobbed hair and short skirts and that didn't stick. Where we are losing out on our good Sunday school is by not having our old men in this community, such as Rev. I. C. Peek, J. C. Henderson, M. B. Keener and others to make us our old time Sunday school talks. We miss our old senior teacher since he has quit. He is the only man in this community that holds any kind of a certificate.

The people in this community want to be very careful about cherry pie; a rush over a pie made one man leave and say, "I am scared of getting bush whacked if I go back."

The other day Mr. Irvin Keener of Gold Mine, purchased a thoroughbred sheep of F. E. Mashburn.

A short time ago, Mr. Jim Keener and little grand daughter were sleeping in a house where Mr. J. D. McCoy had stored several bushels of corn and potatoes. They thought corn was being taken. Somehow, between 8 and 9 p. m. the house caught fire. (No one knows how, so far as the writer can learn), burning up corn, potatoes, part of the bedding Mr. Keener's gun and the lantern.
