

THE GALLOWAY-ZACHARY COMPANY ANNOUNCE
TREMONT PARK, INCORPORATED

FOR THE DEVELOPMENT OF

Beautiful Tremont Mountain and Surrounding Acreage

A tract composed of 1340 acres of heavily wooded knolls, in the center of which this far-famed mountain raises its crest 4200 feet above the level of the sea. On top of Tremont Mountain and overlooking the city of Franklin 2000 feet, will be built by the Gal-Zak Hotel Corporation,

HOTEL GAL-ZAK

Plans by Linthicum & Linthicum, Raleigh, N. C.

A \$250,000.00 Hotel of native stone, 300 by 100 feet in size, with three stories and basement, 100 rooms, 100 baths, steam heat, circulating ice water, electricity, large lobby and mezzanine, game rooms public and private dining rooms, sun room, porches, stone terraces, and many other appointments to be found only in the best Hotels.

A surfaced Boulevard from down-town to the Hotel Gal-Zak, a distance of 2 3-4 miles from the city of Franklin, now being surveyed, will be constructed. This Boulevard, as well as the lateral streets, all of which will be supplied with water and electricity, will open up some of the most superb building sites and estates in Western North Carolina.

Work on this Development, both Tremont Park, and Hotel Gal-Zak, will be begun at once.
