MISS MARGARET ROGERS

### Kyle Locals

Corn planting continues in spite of the cold frosty mornings. Potatoes are coming up and the garden "sass" is looking fine.

Grady Ray of Aquone was visiting in Kyle Saturday and attending the Baptist church.

W. A. Pendergrass went to Franklin on last Saturday attending the meeting of the Macon County School Board in regard to the county wide school system.

Esco Ledford and family returned from Gastonia this week. They have been in that city during the winter. They say there is nothing like "Old Macon."

Born to Mr. and Mrs. Odel Hal last week, a fine boy. Odel is just hitting the high places now.

Rev. Phillip Passmore preached at the Baptist church Sunday. It was communion day and there was a good congregation present.

Mr. C. T. Constant, Melton Williams and Miss Jane Neal of Aquone motored to Kyle Sunday.

Robert Barnett of Aquone was in town, Monday on business.

There was a fine thunder storm Monday morning which relieved the crops from the protracted dry spell. The grass is looking fine and the corn is coming up nicely.

Since the dry weather has set in the roads are beginning to be fine and motorists are taking advantage of it and are "joy riding" very extensively these fine evenings.

Dewey Waters, the mail carrier, has put on a regular bus line now for travelers that are going to Nantahala. He says, that it will go every day except Sunday.

Jed Simmons says that he's ready for the tourists now as "poke salad and mustard greens" are getting to be plentiful and his "old woman" is making a powerful lot of butter. And by hank the butter milk is not scarce!

Some of the boys are making fine catches of rainbow and brook trout these fine evenings. They claim that they know just how to angle for the game fish. That "big fish" in Lake Emory better be getting "shy" as some of our Nantahala sportsmer will be sure to snare him.

Floyd and Wesley Pendergrass who is in the employ of the Forest Service and was engaged in fighting fire on Grandfather mountain, returned home Saturday.

A Scotchman went to the box office after witnessing the new film. "Will ye kindly retain me the amount of the amusement tax?" he said. "Why?" asked the manager. "I wasna amused," said the Scot.

Keeping Your

## LAWNS and GARDENS

Looking fresh, colorful, well-groomed, doesn't require much work when one has the proper equipment. They'll be a source of considerable pride to you if you care for them with—

PENNSYLVANIA OR BLUE GRASS  
LAWN MOWERS.
