

Election Results in Macon

For U. S. Senate: Reynolds 890, Overman 499.
For Congress: Alley 748, Weaver 699.

For Judge: Johnston 869, Mallonee 481, Moore 69, Hannah 50.
For Solicitor: Leatherwood 719, Davis 701.

For State Senate: Roane 1097.
In the state Overman was elected by about 35,000 majority.

Weaver beat Alley by about 6 to 1. It is understood that a second primary between Mr. Moore and Mr. Mallonee will be run later to determine who will be our next judge.

PORTER NOMINATED

At the time the article in this issue was written announcing the results of the election, The Press was unable to obtain the vote for Mr. J. A. Porter for representative. It was later learned that his total vote in the county was 815. He was unopposed for the nomination. Mr. Porter is well known to the voters of Macon county and is a gentleman of high standing. If Mr. Porter is elected at the general election next fall, the people of Macon may rest assured that Macon county will be well represented in the legislative halls of the state.

COZAD ICE PLANT TO BE READY BY JUNE 15TH

The machinery for the Cozad Ice Plant is now being installed by an expert in the new building near the roller mill. When in operation this plant will have a capacity of five tons per day. Mr. Jess Conley, general manager of the plant, reports that he hopes to have the plant ready for operation by June 15th. The plant is so constructed as to permit of adding other units of five tons capacity each when the demand for ice makes such steps necessary.

WILSON RESIGNS

In a telegram received Tuesday from New York, Mr. Rufus R. Wilson announced his unconditional resignation as a member of Tremont Park directorate.

Bungalows of cast iron are being built in Glasgow, Scotland, to relieve the housing shortage.

HIGHWAY NO. 10 NOW OPEN

At last Highway No. 10, leading toward Asheville and Franklin has been opened to traffic. The last link out of Bryson toward Asheville was opened on Saturday. Work is being pushed on Balsam and it is hoped that by August 1, a straight trip over No. 10 will be enjoyed by those motoring over. The few miles from the forks of the road to Almond will be built as soon as possible. Then there will be a fine road from Asheville to Murphy over No. 10 and on into Georgia or by way of Franklin into Georgia. Either route travelled will give one a scenic trip that cannot be excelled. Vistas of mountains rising until in the distance they seem to meet the cloud are seen as one journeys along. The beauties of Western North Carolina will be seen and enjoyed by more people this summer than ever before. —The Ruralite, Sylva, N. C.

Prominent Men Here

Mr. A. L. Crowe of Marietta, Ga., and Mr. Frank F. Stoops of Chattanooga, passed through Franklin Tuesday. These visitors are prominent business men in their respective cities and were making a pleasure trip through the mountains. While here, they called at The Press office and took occasion to announce their admiration for Franklin, stating that a town of this size must have forward looking men at the helm to undertake the building of the large dam and power plant. These gentlemen were likewise delighted with the scenery and climate of Franklin.

LECTURE ON PALESTINE

Mr. J. P. Jarrett will lecture at Sugar Fork, June 20, at 3 p. m. on Palestine. Everybody invited.

If you apply Carey Fibre Coating to your roof before it is too far gone, you can prolong the service you get from it a number of years.

Creosote and Preservative oils in the fibre coating are absorbed by the old roof material. They again become pliable, full of life.

Pores and cracks are filled with heavier oils bound with everlasting asbestos fibre, immune to rot, burning and disintegration.

Stop the deterioration of your roof before it goes too far! We will be glad to give you an estimate.
