

### Sounded End Of World War

TO the left, friends, we present a likeness of one of France's most familiar war heroes—even though he was a man of the ranks. He is Corporal Sellier, the bugler who sounded "Cease Firing" to his allied comrades at the end of the world war. Corporal Sellier was recently decorated by General Debeney in Paris—being given the Cross of a Chevalier in the Legion of Honour.

### Footing His Bill!

WERE poverty didn't prevent Francis Boland and William Hart from participating in "Senior Class Week" at the University of California. You see the event was a somewhat expensive proposition—each class member having been required to contribute \$7.50 towards its financing. The day the money was due, both Boland and Hart found they were

"flat"—"broke"—"kaput"—"N. S. F." So they decided to go into the shoe shining business. All was going well until a police officer asked to see their license. Not having one, they retired from business. A casual audit, however, revealed that they had taken in \$14.80. Photo shows Mr. Boland shining the shoes of Miss Helen Moss.

### CAMP NIKWASI GIRLS SEND LETTER TO RALEIGH PAPER

Following is a copy of the letter that has been sent by the Girl Reserves of Raleigh, to the Raleigh News and Observer:

Dear News and Observer:

We Girl Reserves at Camp Nikwasi are having such a lovely time that we wish that all Raleigh could turn out and join us in our hikes, parties, camp fires, and water sports.

We take a hike every other day, and on the days that we do not hike we have a camp fire from 8 to 9 p. m. Around the camp fire we sing our club songs and the cabins take turns in supplying the stunts for the entertainment.

Miss Nannie Burwell Crow of Raleigh, is our hike leader. Last Sunday we were going to the "Old Camp Ground" but the party got separated and those in the rear climbed to the top of Tremont mountain, thinking that the "halloas" of the leading party came from that direction.

But Shakespeare surely must have known what he was talking about when he said, "All's well that ends well," for after the rear part of the crowd got to the top of Tremont they turned around and met the crowd that had the lunch, so we ended the day with a delicious supper, and a jolly hike home.

Speaking of eating! Of course it is needless to say that Girl Reserves like to eat, but when they sit down to a meal planned by Mrs. Ashe! I'll tell the world they can cheer then!

Saturday night the entertainment committee gave a "kid" party. Carolina Ashe and Edna Mae Halverson received the prize for the contest couple. Louise Valear and Louise Farmer, Betsy Forrest and Helen Brown, and Esther Morris and Nellie Smith tied for the prize in the contest. Games were played and impromptu recitations given, so every one thoroughly enjoyed the evening.

The people of Franklin have been most friendly to us. The day after we arrived an editorial appeared in "The Franklin Press." I am enclosing this editorial. Last Sunday the Methodist church furnished means of transportation and all of the church members gave us a very cordial welcome. This coming Sunday we are to act as choir at the Episcopal church at the invitation of the minister, Rev. E. J. Pipes.

Mrs. E. J. Pipes and Mrs. Mary Reynolds Hillsman are very kindly acting as life savers for our swimming hours.

We are enjoying very much the sewing class of Miss Esther Moody, of Waynesville, and the Nature Study taught by Miss Frances Thomas of Raleigh.

One of the most outstanding aims of the Girl Reserves is friendship. We the Girl Reserves, of Raleigh, have a splendid example in Miss Jenny Traipier, our secretary, for she is always a loving and sympathetic friend to all.

The advisers, besides those mentioned above, are: Miss Anne Play, of Chester, S. C.; Miss Elizabeth Walker, of Durham; Miss Elles Black of Bryson City, and Mrs. Sam Ashe and Miss Mary Alice Harding, both of Raleigh.

All of us wish to express our most hearty thanks to Mr. Jenner, John, and Mr. Straudt, who drove the busses over all sorts of trying detours, and brought us safely to camp.

And now since you see how much fun we are having at Nikwasi, which Miss Laura Jones so thoughtfully and cordially invited us to use, I am sure that you will join us in our "Nikwasi Yell!":

Strawberry shortcake!  
Huckleberry pie!  
N-I-K-W-A-S-I-I  
Are you with us?  
Well, I guess!  
Raleigh Girl Reserves?  
Yes, Yes, Yes!

EDITH RANDOLPH.

#### ATTORNEY HEWLETT HERE

Attorney Sam D. Hewlett of Atlanta, legal advisor to the Onteora Estates, was here on business last week-end. Mr. Hewlett is delighted with this section of the mountains and enthusiastic over the possibilities of the Onteora Estates. While here, Mr. Hewlett tried his hand at catching rainbow in the Nantahala.

So pleased is he with Franklin and vicinity he has expressed his intention to return in July for an extended stay.

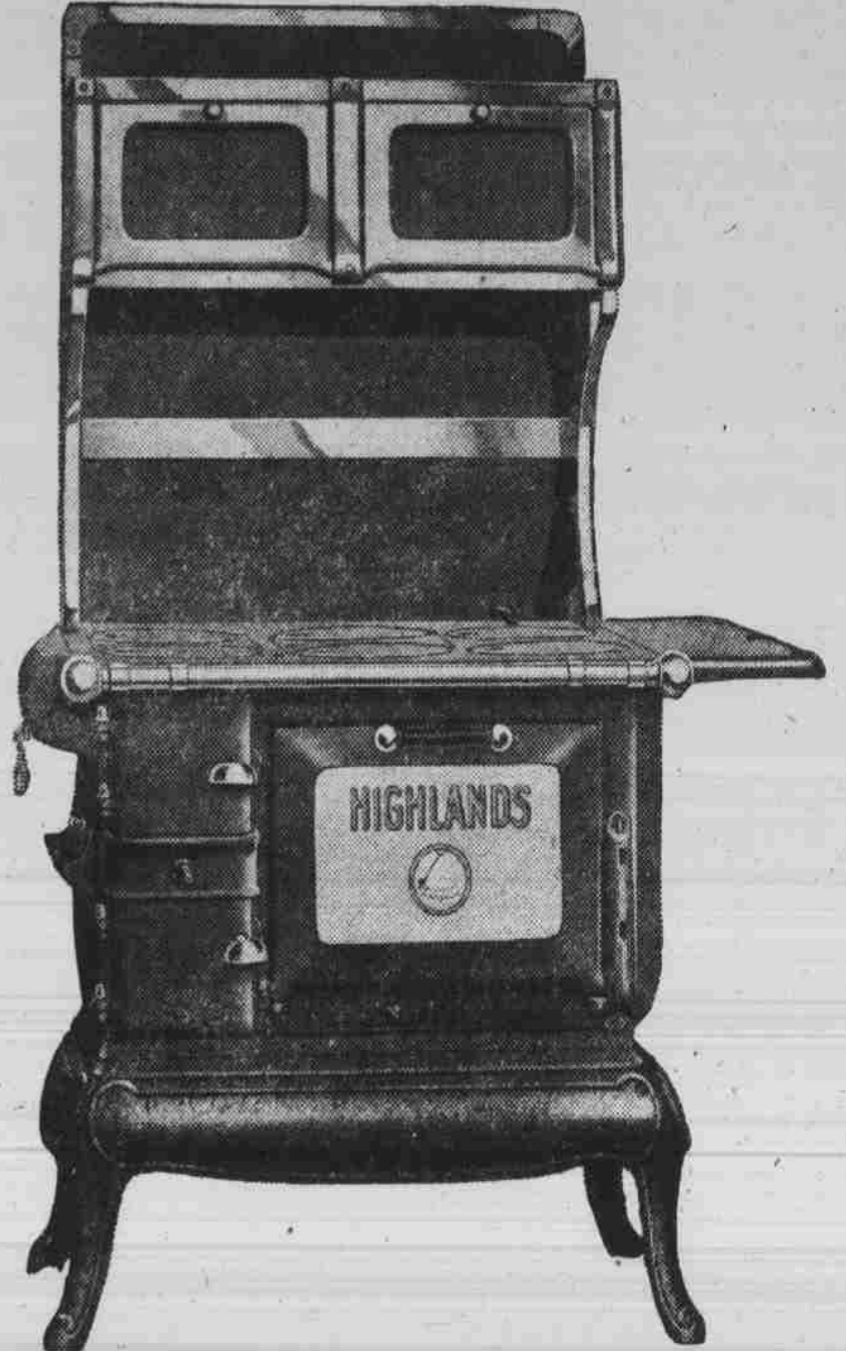

Mr. W. D. Almazov, joint owner of Onteora Estates, was also in Franklin last Saturday. He reports the affairs of his development progressing nicely in all departments.

DELAVAL CREAM SEPARATORS

A nice clean, new Blue Ribbon Oil Stove, equipped with the famous Kerogas burner, will be a comfort these hot days in any kitchen. Ideal for canning purposes. Regulate the heat without shutting off the draft.

Don't you need some extra dishes? We have a very good line of useful dishes in white and gold band decoration, ranging in price from 50 cents a set of six plates to \$1.20 a set. Cups and saucers to match at the same price.

When you have decided to buy that new stove or range, don't fail to look at our line, and learn the reason why they are superior in many ways to some other makes.

We have only two or three of those good porcelain lined refrigerators left. It will certainly pay you to get one of them.

## ANNOUNCING New Agency

We take pleasure in announcing that we have taken the agency for the De Laval Cream Separator—recognized everywhere as the world's best separator.

The new De Laval is the best De Laval ever built—more than 100,000 users say so. The new model De Laval has all the good features of the old machine, plus self-centering bowl, light running qualities, all-around superiority and greater convenience.

You lose money by not having a new De Laval. With butter-fat at present prices you are losing more than ever if you have a worn-out or inferior separator or if you skim by hand. A new De Laval will soon pay for itself.

It is so easy to buy a De Laval now that no farmer can afford to be without one. The De Laval can be purchased for cash, on easy terms or on the installment plan. Call and let us show you the new De Laval, or better still, let us demonstrate it on your own farm. Catalogs on request.

You can make more money with three cows and a DeLaval Cream Separator, than you can with four cows and an inferior separator or gravity skimming.

If in need of any article for the home see us, we will make you attractive prices. Let us "Serve You."
