Dear Editor and Readers of The Press:—Why not let the churches of the county or the people just any one, donate so much money as they feel able to give, if it be only a penny from a child, or dollars, from those who are able, and let us install a good radio set with a loud speaker and also head phones in our county home for the benefit of the unfortunate in-mates.

Don't you think it would be cheaper than having a preacher go, say once a month and preach to them. Once a month is as often as country church usually has services. And then so much oftener they could hear good sermons and enjoy excellent music, if they had the radio.

What do you think of the idea? I have no doubt but what within one week's time the money can be easily raised if we just set aside a certain week and certain people in each community to be committed to receive such funds. Let's do this.

Wishing all a happy and prosperous New Year. A READER

CARD OF THANKS

We want to thank the friends for what they have done for Charlie while he lay unconscious. We thank Dr. Angel for trying to save his life, he did all he could, but I reckon it was Charlie's time to die. When God calls on us we have got to go.

We also thank the nurses for being so kind to him.

It sure is sad, but I hope he is in a better land, where he will be happy forever.

Charlie and Ralph Penland started out Christmas day to have a good time, they had started to Sylva, but they had trouble with the car, and turned and started back. Charlie started to get in the back seat and the car started. He slipped and fell, bursted his skull. They came to town and stopped out in front of Cunningham's store, I was inside, I heard some-one say—does Bennie know it, so I ran out side, and there he lay in the back seat. I said Charlie! Charlie! what is wrong? He didn't speak, then I knew he was hurt. I rushed him over to the hospital, and he never did know me from that day on till he died. It sure was a sad Christmas for me, my mother, and the whole family. Bennie Reage

Dr. Angel tendered his resignation as director and the stockholders, after giving him a vote of thanks for his work, accepted his resignation and elected J. W. Rickman in his stead.

The new directors in a meeting immediately following the stockholders meeting, chose the following officers: Sam L. Franks, president; R. D. Sisk, first vice-president; J. W. Roper, second vice-president; J. S. Conley, secretary; R. D. Sisk, attorney; W. T. Moore, cashier; and L. B. Limer, assistant cashier. As a finance committee, they named Sam L. Franks, Mrs. W. H. Sellers, T. W. Angel, Sr., R. D. Sisk, J. W. Roper, and J. S. Conley.

The affairs and conditions of the bank were examined, both by the directors and the finance committee, and they reported that the bank held not a single piece of past due paper.

The new board of directors, before concluding their meeting, gave a rising vote of thanks to Messrs. Moore and Limer for their work during 1926.

The old board of directors, at their meeting on Friday, had declared a dividend of six per cent, and had voted to place the remainder of the bank's earnings during the year in the surplus fund.

The Citizens bank was organized here in 1913. It has a capital stock of \$15,000, and its surplus is \$6,861.17.

GEER KILLED, WILSON HURT

C. D. Geer, of Rutherfordton, killed in an automobile accident at Albany, Ga., Sunday, and W. G. Wilson, also of Rutherfordton, hurt in the same accident, were contractors on the construction of Highway No. 286 between Franklin and the Georgia line, a few years ago, and Mr. Geer was well known here, as is also Mr. Wilson.

Regret has been generally expressed here, where both men made many friends during their stay in Franklin.

The accident occurred when the automobile in which the two men and Frank E. Raines, of Asheville, also injured, were riding collided with a machine occupied by negroes, and overturned. The accident occurred about seven miles south of Albany.

The negroes, who appeared not to have been hurt, fled.

The accident was said to have occurred when the negroes' automobile turned from a side road into the Dixie highway without warning directly in the path of the other car. Both machines were demolished. Geer was dashed to the pavement on his head and pinned under the automobile. Haines, who was driving, and Wilson were thrown clear, the former suffering internal injuries and the latter a broken jawbone and severe bruises. Recent reports indicate that Messrs Wilson and Raines will recover.

ROBERTSON LEAVES FOR RALEIGH

Henry G. Robertson left Franklin Monday for Raleigh, where he will contest for the thirty-third district seat in the State Senate. R. J. ("Bob") Roane, of Whittier, Democrat, was declared elected by the district canvassing board, by the margin of 49 votes, but Mr. Robertson claims that he was elected by a few votes. He bases his claim upon alleged irregularities in Mr. Roane's home county of Swain, which is normally Republican.

Roane carried Swain and Macon counties, while Cherokee, Graham, and Clay gave majorities to the Macon county Republican, according to the official vote, as announced by the canvassing board.

Robertson represented the thirty-third district two years ago. The district normally is Republican.

Mrs. Lucy Stagle whom the Press failed to mention as one of the home coming students for the Christmas holidays has returned to the normal school at Harrisonburg, Va.

WAS DOWN IN BED WITH LUMBAGO

Went back to work after three days of home treatment

C. L. Normandy, a civil engineer living at 234 West 9th Street, St. Paul, Minn., was taken with an attack of lumbago and for one week could not move in his bed.

"A friend told me to use Sloan's Liniment and I got a bottle. After using it one day, I was able to walk about the house. After three days I was able to go to work, and now I am as well as ever. I would not be without Sloan's Liniment if it cost \$5.00 a bottle. It is a sick man's friend."

The reason that Sloan's gives such remarkable relief is that it gets right at the cause of the pain. It stimulates the circulation throughout the place where the pain is, and clears out the germs that are causing it.

Right away you feel relief. The pain stops, and soon you are fit as ever. Get a bottle today and have it on hand. All druggists—35 cents.
