Special Farm Notice
WOOL SALES
 Will all those farmers having wool for sale through the county agent please notify him as soon as possible, giving the approximate quantity and when they will be ready for selling?
 The Guernsey sale in South Carolina comes off on the 3rd of May. The party leaving here on Sunday May 1, will be well paid for their time and money to see what is going on outside, even if they do not buy anything. I ask that all who can do so, go down there and see for themselves just what is going on, and how the dairy business is stacking up.
