

CARD OF THANKS

We wish to thank the good people of Bethel; also at Cullasaja, for their kindness and help in our sudden bereavement. And may we ever be ready to return to them the help, in any way possible.

Mr. and Mrs. L. D. NORRIS.

MORE THAN CONVENIENCE

Acquaintance with a modern drug store is more than a mere convenience; it is often a necessity. It may be late at night, or a stormy day, or it may be impossible to leave home. Regular customers of Smith's Drug Store use the phone. A prescription from your doctor receives prompt and careful attention by experienced and licensed pharmacists. You get all of this without extra charge. We seek only a reasonable profit.

REAL ESTATE VALUES GO UP

Taxable Values on Land Increased By \$658,251 in New Assessment—One Township Loses.

Macon county is nearly two-thirds of a million dollars richer in taxable real estate values than it was last year, as a result of the revaluation of property in this county.

This is shown by the revaluation figures on real estate, other taxables not being included. The county's real estate last year was listed for taxation at a total of \$5,024,032. The revaluation figure on real estate in Macon county is \$5,682,283, or a gain of \$658,251.

The revaluation figures, however, are tentative. They are still subject to correction of possible errors, and the Board of County Commissioners next Monday will begin adjustment of individual valuation, which may make slight differences in the totals.

Personal property figures are not yet totalled. Last year, however, taxable wealth other than real estate in the county was valued at approximately \$1,300,000 and Tax Supervisor C. R. Cabe believes when the revaluation figures are totalled, the total for other than real estate will be about the same as last year's figure.

The revaluation showed a gain in the taxable valuation of real estate in each of the county's 11 townships, save one—Nantahala. In that township, the taxable valuation of real estate decreased from \$536,089 to \$530,767, a decrease of \$5,322.

The largest increase was shown in Franklin township. The increase was \$195,439. Cartoogechaye came second, with an increase of \$157,476. Highlands township's increase—slightly less—was \$149,606. The smallest increase was shown in Flats township. The figure for 1926 was 66,760, as compared with \$69,300 this year, a gain of \$2,540.

In considering the 1927 figures, the public should bear in mind, it was pointed out by Tax Supervisor Cabe, that the figures are as yet tentative, and may be subject to slight change, and also that these figures are for real estate, only.

Comparison with last year's figures is misleading, too, he suggested, unless purchase of forest land by the government in the various townships is taken into consideration. And, too, careful checking of the old figures has shown some of the totals to be inaccurate, Mr. Cabe said.

Following is the assessed valuation of real estate in the various township for 1926 and under the present revaluation:

| TOWNSHIP | 1926 | 1927 |
|----------------|-------------|-------------|
| Franklin | \$1,766,981 | \$1,962,420 |
| Flats | 66,760 | 69,300 |
| Burningtown | 136,091 | 189,342 |
| Sugarfork | 115,916 | 121,692 |
| Nantahala | 536,089 | 530,767 |
| Ellijay | 284,822 | 293,377 |
| Smith's Bridge | 409,535 | 436,141 |
| Cartoogechaye | 298,749 | 456,225 |
| Highlands | 585,394 | 735,000 |
| Cowee | 519,461 | 543,577 |
| Millsheal | 304,234 | 344,442 |

TOTALS 5,024,032 5,682,283

Stiles Locals

Mr. W. J. Morgan, of Brevard, is in this section visiting friends and relatives. We are glad to have Mr. Morgan with us any time. His childhood home is at this place.

Mrs. Mary Justice is on the sick list.

The Sunday school at Morgan school house was a success. A large crowd was present, and the noted Stiles class sang several songs, which everyone seemed to enjoy. We welcome visitors to attend our school.

Mrs. C. C. Wilson, of Wesser, N. C., accompanied by her son, Claude of High Point were welcome visitors in this section Sunday.

Mr. R. L. Parrish is on the lumber haul again.

The thermometer registered 95 degrees in the shade Friday. This has got the farmers in the notion of laying by corn.

Messrs Charlie Shuler and Arthur Ammons of Almond were visitors in this section Sunday.

Mr. and Mrs. Lee Tallent, of Franklin visited Mrs. Tallent's sister, Mrs. Homer Cochran Sunday evening.

Rev. A. J. Smith filled his regular appointment at the Tellico Baptist church Sunday. After services a subscription was taken to get means to paint the church and \$15.00 was raised. Friday and Saturday was set to paint the house and clean the cemetery grounds.

Revival at Clark's Chapel

Rev. J. J. Edwards, of Paw Creek, has arrived here and will preach at the revival services at Clark's Chapel, the dates of which were given in last week's Press. This is Mr. Edwards' first visit to Franklin since the district conference held here in 1903. He was formerly a member of this conference for nine years and consequently is no stranger to the mountainous section of the state. According to report smuch interest is being manifested in the meeting at Clark's Chapel which started last night.

Six Cylinder Cabriolet Roadster Out-Performs Cars in Its Price Class

Dodge Brothers, Inc., announces the second car in its six cylinder line—a cabriolet roadster which is unique among fine motor cars. It is a companion car to the sedan which has been the subject of so much favorable comment since it was introduced early this month. In the opinion of those who have had an opportunity to study this new roadster it is a worthy mate to the strikingly beautiful sedan and everyone who has ridden in it agrees that it surpasses both in appearance and performance other cars in its price class and many which sell for considerably higher prices.

It is a new car in every way. Built with long and graceful lines suggestive of great power and speed, this promise is amply fulfilled when the car is made to perform either in heavy traffic or on the open road.

"An entirely new feature of this car," says J. S. Conley of J. S. Conley Motor company, local Dodge Brothers dealer, "is the way in which the top is constructed. Prior to this time the tops of all cabriolets have been detachable from the windshield pillars and have folded back from this point. In this Dodge Brothers cabriolet this principle is discarded. The front of the top is built integral with the windshield pillars. Only the back quarter can be lowered, the break being made at the pillars at the rear of the doors. This type of construction represents the most advanced ideas in design and has the important advantage of giving unusual rigidity and strength to the top.

"The entire front of the car is distinctively new. It is built like the popular six cylinder sedan—with deep radiator, rather high and surrounded by barely more than a rim of polished shell which is of uniform width save at the top where it widens out to form a background for the new seal of Dodge Brothers Senior.

"The rumble seat is more spacious than is to be found on most cars and in its construction every effort has been made to insure that it will be most comfortable, even on the longest trips.

"The upholstery is of the finest leather, harmonizing with the other details of interior trim, the whole blending into a masterpiece of design and engineering skill.

"A compartment for carrying golf clubs is built under the driver's seat and is unlocked by the same key which unlocks the door, the theft lock and the rumble seat.

"Equipment includes a clear vision one-piece windshield, hinged at the top and swinging outward for ventilation. The windshield is operated by a self-locking crank mechanism and has the merit that it can be opened wide for safe driving in sleety weather. In further detail equipment includes an automatic wind-

shield cleaner, tire carrier with spare wheel or rim, rear signal light, front and rear bumpers, Motor Meter and interior rear view mirror. A fine 8-day clock and a fuel gauge are among the instruments attractively grouped under a single glass panel on the dash."

A new FRIGIDAIRE

now priced so low almost every home can have electric refrigeration

complete for only

\$195

F.O.B. DAYTON, OHIO

Now, at a time when more Frigidaires are in use than all other electric refrigerators combined, comes the announcement of a new model. A model priced so low that almost every home can easily have the convenience of dependable electric refrigeration.

In every respect it's a genuine Frigidaire—

made throughout to exacting General Motors specifications.

The new model is now on display at our salesroom. See it. Examine its construction—its finish—its capacity. Learn what a small deposit on General Motors terms puts it in your home. Come in today.

Modern smokers demand quality and put Camel first

THIS experienced age knows the good tobaccos it demands in a cigarette. And it has made Camel the greatest leader any age has ever known.

Camel's choice tobaccos and its blending for smoothness and mellowness have made it supreme with modern smokers. Camel today is world favorite, because of quality.

Camel was made to succeed in an age that knows merit. Just try Camels and you'll know why no other cigarette can compare with them. Let the choice of the modern world show you what smoking enjoyment can really be.

"Have a Camel!"
