Chief Goes On Raid

What officers declare is one of the last of the "old time" stills and worms was captured on Cowee Creek, near where another still was taken recently, by officers of the sheriff's department Tuesday morning. No distillers were taken.

It was a 35-gallon capacity outfit, made of copper, the officers said. About 1,000 gallons of beer was poured out. Nearby were supplies for camping near the still.

In the officers' party were Sheriff C. L. Ingram and Deputies Fred Cabe, Derrell Ashe, and Chief of Police Robt. Henry.

You see *all* the road
when you drive a Buick

The dreaded "blind spot" is gone forever! In Buick for 1928 closed car front posts are narrowed so that *all* the road, ahead of you and at the side, is clear.

And thanks to the efficiency of Fisher craftsmanship, these slim corner posts have even greater strength than the type formerly used.

See a Buick for 1928 at the nearest showroom. Get behind the wheel and prove for yourself how clearly you can see *all* the road from the driver's seat.
