Your tongue tells when you need

Coated tongue, dry mouth, bad breath, muddy skin, groggy nerves and sour stomach suggest its use.

Mr. and Mrs. Bill Moore made a trip through the Pisgah National Forest last Sunday. Bill reports that they saw at least one hundred deer feeding along the highway. Four were in the back yard of Bob Cansler. Game in this forest is protected and one is not allowed to enter the forest with a gun of any kind.

Rev. and Mrs. J. A. Flanagan, who were on their vacation when their home burned Monday morning, returned to Franklin Tuesday afternoon.

Fire Emphasizes Popularity Of Pastor and Wife

As proof of the popularity of the Rev. and Mrs. J. A. Flanagan, and illustrating the ready sympathy of Franklin people for persons who are in trouble, was the fact that Franklin citizens Monday quickly made up a purse for the Flanagans, to help them, in some measure, to replace their losses in the disastrous fire of Monday morning, when the Flanagans lost all their household possessions, their many beautiful wedding presents, Mr. Flanagan his library, etc.

Before ashes of the Presbyterian manse, which burned about 5:30 Monday morning, had gotten cold a purse of \$500 was made up—cheerfully and gladly. Citizens of all denominations, it was understood, contributed.

Telephone Connection With Alarm Siren

The Board of Aldermen Monday night took steps to prevent such a delay between discovery of a fire and the sounding of the fire siren as occurred here Monday morning.

There is at present no point from which the fire siren can be sounded by touching an electric button. At an hour such as that at which the Presbyterian manse caught fire Monday morning, it is difficult indeed to rouse someone living near the siren by telephoning, and there is nothing to do but come down town and start the siren going. Thus much valuable time was lost Monday—and would be again under similar conditions, it was pointed out Monday night.

As a remedial measure, the Board ordered a telephone placed in the residence of Fire Chief Jos. Ashear, and an electric connection between his home and the fire siren installed. Thus one discovering a fire can telephone Mr. Ashear, and he can sound the alarm.

And as a further measure for safety, the Board ordered a similar electric connection made between the Franklin Hotel and Restaurant, which is open all night, and the fire siren. C. W. Hames, manager of this concern, having agreed to permit the connection to be placed in his place of business.

In future, therefore, in case of fire, the fire alarm can be sounded by telephoning information of the fire either to the residence of Mr. Ashear or to the Franklin Hotel and Restaurant.

John C. Roper

Editor of The Press:
It is with sadness that we chronicle the death of one of our neighbors, Mr. John C. Roper, who passed to the beyond October, 20th, last.

He had been afflicted and a great sufferer for the last four years or more—his disease and condition being of such nature as to baffle the skill of the many physicians who attended him during his sickness.

His break-down was so complete as to place him apparently beyond the reach of medical aid from the start; and while it was generally conceded that he could not get well, yet for four long years—doubly long to him; for he was a hard-working man when well—he waged a strong fight for life, bidding fair to win at times, only to realize later that he had lost in the struggle.

Honest labor and toil was his motto; and it was generally conceded by those, who employed him that for the labor he engaged in there was no better hand. He could be trusted always to safeguard the interests of his employer, and render him honest and faithful service.

He was 52 years and 4 months old when he died; and it may be said of him that most all of his life was spent in toil and labor, for he seemed never so happy as when so engaged. He bore his afflictions and sufferings with patience and fortitude—assuring his friends that it was well with him.

For some time during his last days of affliction his mind seemed wavering, and he talked of building churches and helping those in financial need; however, he talked sensibly of the hereafter and his future happiness at all times.

His work on earth is ended; his life's sun has set; and his sufferings are over; this consolation comes to his friends from his own testimony while living—he assured them that "all is well."

He was buried at Cowee Baptist church October 21, 1927 in the presence of a large and sorrowing congregation, Rev. George Cloer conducting the funeral exercises.

Brother R. R. Rickman attested the good character of the deceased in a few very timely and well-chosen

remarks, after which the Junior Order of the ceremonies and laid his remains to rest.

A FRIEND,
Nov. 6, 1927.

This Weather Requires Overcoats

No longer do the balmy breezes of summer blow, but the chilling blasts of winter come roaring out of the North. Now is the time to buy that Overcoat you have been needing for ever so long. We have just received an excellent line of Overcoats for men and boys—and the remarkably low prices will not only surprise but please you. Just drop in and let us convince you that the Little Clothing Store with small rents to pay and with no clerk hire can sell, quality for quality, cheaper than the other fellow.

We also carry a complete line of men's and boys' clothing to please all and to fit any purse.
