

# Welcoming a New Year of Greater Opportunity

As Grain by Grain the falling sand marks the passing of time as the year passes by day review before us—opportunities to do bigger and better things present themselves to each of us.

May we all take full advantage of these golden chances so when we have passed with the years, kindly thoughts will ever follow on.

This is a GREAT COMMUNITY, but working together we can make it better.

<p>We are for a Progressive Community <b>FORD CARS, PARTS, TRACTORS</b> Joines Motor &amp; Tractor Company, Inc.</p>	<p>Quality Quantity <b>STREET PRINTING COMPANY</b> JAS. STREET, Mgr.
