

**4H--"TO MAKE THE BEST BETTER"--4H
WHEN A MAN, FROM HIS HEART, SAYS, "I WILL," HE IS A SUCCESS ALREADY**

AND AFTER THAT--

The "after" time, left to the imagination in the fairybook stories, is in reality perhaps the most severe test of the character and worth of that which has gone before.

To see for himself a bit of this "after" in the stories of some of his boys' and girls' club members, T. T. Martin, Missouri's state club agent, has produced some interesting facts about the present activities of the thirteen boys and girls who were members of a baby beef club in Worth county, Missouri, in 1923. Five of the thirteen are now farming in Worth county, one is combining farming and teaching there; three are students in the county seat high school; one is attending the state college of agriculture; and two are students in the state teachers college,—thirteen energetic youngsters giving Worth county their best in 1923; thirteen progressive young men and women giving Worth county their best in broader fields in 1928.

Death Calls Fine Citizen

Mr. Joe C. Gibson, one of Macon county's most prominent and highly beloved citizens, passed away at his home on Cowee at 6 o'clock Wednesday morning at the age of 73 years. He was born in what is now Swain county and moved to Macon when a child of eight. The deceased was married 50 years ago to Miss Alva Allen, who died only three weeks ago. The remains will be interred at Snow Hill today with Rev. J. H. Strickland officiating.

The following named children survive: Walter, Weaver, Sam, Mrs. Ida Dalton, Mrs. Pearl Holbrooks, Mrs. Iah Bryson, Mrs. Mamie Reynolds, all of Iotla, and Mrs. Nobia Murray and Carrol Gibson, of Franklin.

Death of Mrs. McConnell

Mrs. Eliza Hall McConnell died at Franklin March 11 at the age of 80 years, ten months and two days. The deceased was born in Macon county and lived here until her marriage in 1884 to W. A. McConnell. She and her husband then moved to Georgia where her husband died in 1911. In 1920 the deceased moved back to Macon county and remained here until her death.

The remains were buried at Cornelia, Ga., March 12, the Baptist pastor at that place preaching the funeral oration.

Mrs. McConnell was well known and loved by hundreds of friends in Macon county. Only one member of her immediate family survives the deceased—a grand daughter, Miss Katherine Bowden.

Bryant Furniture company of Franklin were the funeral directors.

Mr. and Mrs. Geo. Peek Visit Old Home

Mr. and Mrs. George Peck, of

Richwood, West Virginia, arrived here recently to spend a month's vacation with relatives in Macon county. Mrs. Peck is a native of West Virginia. This is Mr. Peck's third visit home since he left here when a boy. Franklin and Macon county extend a warm welcome to Mr. and Mrs. Peck and wish them a happy vacation in the mountains of Macon.

Celebrates Birthday

Mr. and Mrs. W. M. Sutton delightfully entertained Mr. Sutton's mother, Mrs. D. G. Sutton, of Jackson county, at a birthday dinner given in honor of the 61st anniversary of her birth.

Mrs. Sutton is the mother of seven sons and two daughters.

Those enjoying the dinner were: Mr. and Mrs. Joe Sutton, of Sylva; Mrs. J. C. Pangle, Mrs. L. A. Sutton and Mr. Hyman Sutton, of Barkers' Creek, and Mr. and Mrs. Bill Sutton, of Franklin; one brother and one sister; Rev. R. W. Greene, of Green's Creek and Mrs. Bill Estes, of Franklin; also eleven grandchildren and many friends. Every one reported a good time.

Strawberry Plants

Mr. H. N. Moore, who operates the cannery, states that he can receive orders for strawberry plants only two weeks longer as after that time it will be too late to get them here and set them out. Consequently he requests that those who want plants send in their orders at once. The plants sell for two dollars per thousand with 25 cents added for express charges. Mr. Moore has already sold about 40,000 plants.

Dryman Makes Repairs

Mr. and Mrs. J. M. Dryman who have been living in Georgia for the past six years where Mr. Dryman held a position with the Georgia Railway & Power company, have returned to their home near the roller mill, much to the delight of their

numerous friends. Since his return Mr. Dryman has been making extensive repairs on his home and now has one of the most desirable residences in this vicinity.

**TAXPAYERS TAKE NOTICE
Read the Law Quoted Below**

I am constrained to call the attention of the taxpayers of Macon county to the Public Laws of North Carolina, Session 1927, Chapter 213, Sec. 4, which section is quoted accurately as to that part of said section requiring the sheriff to collect taxes and sell lands if same are not paid within the time mentioned therein:

"He shall on the first Monday in May report in full the uncollected taxes for the current tax year and the county commissioners shall thereupon order sale of all land for taxes were the taxes have not been paid to be made on the first Monday in June and shall also make up a list of taxes due of taxpayers who list no land for taxes. The sheriff, or other tax collecting officer, shall thereupon cause advertisement to be made for four successive weeks, as now provided by law for such advertisements, of lands to be sold for taxes and shall make effort to collect all taxes due by taxpayers who list no land for taxes. Sale of land for taxes shall be made upon the day ordered by the board, provided that the sale may be continued from day to day until completed."

I am giving this information to the taxpayers now so that they will not be taken by surprise. The above is the statute, and I, as sheriff and tax collector of the county, have no discretion in the matter, neither have the county commissioners. All taxes will have to be paid before the first Monday in May. The time is not long and it would indeed be painful to me to sell the land of a single person in my county for taxes. This law materially changed all regulations as to the time in which the sheriff shall collect taxes.

This the 13th day of March, 1928.
C. L. INGRAM, Sheriff of Macon County.
