that had actually been collected at that date the most including the accrued 1927 taxes.

4-CONCLUSION

It is stated that all taxes shown as estimated openne are NET after provision for nulla bona and the expense of taxe collections. Provision has also beeen made covering Treasurers Commissions.

The information presented in this report is entirely self-emplanatory as it reflects the true status of every fund, functional activity and account within the county's operation and capital scope.

As is clearly indicative, the FINANCIAL POSITION and the PUDGET POSITION of the county is EXCELLENT and reflects much credit upon the administration.
