IN UNITY THERE IS STRENGTH

MACON COUNTY FARMERS FEDERATION

YOUR store has provided for you another car of fertilizer to be distributed this week. Also another car of cotton seed meal. We have plenty of flour bought at a low price to continue selling for sometime at the old price, regardless of the fact that flour has recently gone up considerably.

Have a lot of the best seed on hand and another shipment to come right away. Get them in quantities of ten pounds or more and see that a tag is attached showing analysis.

Remember that we are paying top prices for your produce. This week we will pay \$1.20 for potatoes and 20 cents for eggs.

Make your stock valuable by trading at **YOUR** store.
