TAXPAYERS TAKE NOTICE

Read the Law Quoted Below

I am constrained to call the attention of the taxpayers of Macon county to the Public Laws of North Carolina, Session 1927, Chapter 213, Sec. 4, which section is quoted accurately as to that part of said section requiring the sheriff to collect taxes and sell lands if same are not paid within the time mentioned therein:

"He shall on the first Monday in May report in full the uncollected taxes for the current tax year and the county commissioners shall thereupon order sale of all land for taxes were the taxes have not been paid to be made on the first Monday in June and shall also make up a list of taxes due of taxpayers who list no land for taxes. The sheriff, or other tax collecting officer, shall thereupon cause advertisement to be made for four successive weeks, as now provided by law for such advertisements, of lands to be sold for taxes and shall make effort to collect all taxes due by taxpayers who list no land for taxes. Sale of land for taxes shall be made upon the day ordered by the board, provided that the sale may be continued from day to day until completed."

I am giving this information to the taxpayers now so that they will not be taken by surprise. The above is the statute, and I, as sheriff and tax collector of the county, have no discretion in the matter, neither have the county commissioners. All taxes will have to be paid before the first Monday in May. The time is not long and it would indeed be painful to me to sell the land of a single person in my county for taxes. This law materially changed all regulations as to the time in which the sheriff shall collect taxes.

This the 13th day of March, 1928. C. L. INGRAM, Sheriff of Macon County.
