THE CAR FOR THE MOUNTAIN COUNTRY

THE CHEVROLET AGENCIES OF MACON
CONGRATULATE HIGHLANDS ON IT'S
MARKED GROWTH OF RECENT YEARS

AT FRANKLIN

In view of the fact that there are now Chevrolet owners in every nook and corner of the county the Chevrolet Company is anxious to accommodate fully all such owners and also all prospective new owners. With this end in view a sub-agency has been established at Highlands where Chevrolet owners in that section of the county can have their cars serviced, thus obviating the necessity of a trip to Franklin. We trust that the public will take full advantage this sub-agency and also of the parent agency at Franklin.

The greatest courtesy and kindest consideration will be extended to the public by both establishments.
