

## GAINS 15 POUNDS; NOW FEELS FINE

"Sargon and Sargon Soft Mass Pills have been worth their weight in gold for what they have done for me," said R. H. Nix, 1439 Fairbanks St., S. W., Atlanta. "I have gained

R. H. NIX

fifteen pounds, and I am feeling better than I have in five years.

Mr. Nix is connected with the Continental Gin Company and has been on the road for his company thirty-one years erecting gin machinery, and is well known throughout the south.

"For five years I have not known what a well day was. And a year ago I had to give up my position on account of my condition. I was failing in health all the time. I had no appetite and nothing I ate agreed with me. Gas on my stomach would get so bad that it would almost cut my breath off, and I couldn't walk a block without stopping to rest. I got in such nervous condition that I had to give up driving my automobile.

"After taking Sargon I can eat anything I want and all of it. I don't have indigestion and

stomach. I can walk any reasonable distance without tiring and while I haven't driven my car yet I feel sure that I could, because my nervousness has left me and I feel equal to almost anything.

"I wouldn't take anything in the world for the way Sargon treatment has built me up and given me back my strength and health."

Sargon may be obtained in Franklin at Perry's Drug Store. —Adv.

### Men's and Women's Shoes

are repaired by us in a manner that causes old shoes to take on the appearance of new ones. Savings are thus effected that run into many dollars in the course of a year. We invite you to participate in these savings by having us repair your old shoes. You will be pleased with the results and the economy.

### CHANGES AND ADDITIONS TO NORTH CAROLINA GAME LAW

For the information of the general public, and particularly that portion most directly affected, a short summary of the alterations in the State Game Law as made by the General Assembly of 1929 is given herewith.

#### New Open Seasons

Quail—November 20 to February 15.  
Turkey—November 20 to February 15.

Dove—November 20 to January 31.  
Rabbit—November 20 to February 15.  
Bear—October 1 to January 15.

Note: Board of Conservation and Development is given full authority to change open seasons and methods of hunting rabbits and bears in any or all counties and districts, without being bound by first and last dates set out above.

Squirrel—In all counties east of, and including Person, Orange, Chatham, Moore, Richmond, and Scotland counties—October 15 to January 15.

In all counties west of Person, Orange, Chatham, Moore, Richmond, and Scotland—September 15 to January 1.

Mink, Skink, otter, muskrat, raccoon and opossum—In all counties east of and including Person, Orange, Chatham, Moore, Richmond, and Scotland—November 15 to February 15.

In all counties west of Person, Orange, Chatham, Moore, Richmond, and Scotland—November 1 to February 15.

Opossum season in following named counties will extend from October 15 to February 15: Cherokee, Clay, Graham, Swain, Transylvania, Madison, Buncombe, Henderson, Yancey, McDowell, Rutherford, Polk, Mitchell, Avery, Burke, Cleveland, Gaston, Lincoln, Catawba, Caldwell, Watauga, Ashe, Wilkes, Alleghany, Alexander, Iredell, Mecklenburg, Surry, Yadkin, Davie, Rowan, Cabarrus, Union, Stokes, Forsyth, Davidson, Stanly, Anson, Rockingham, Guilford, Randolph, Montgomery, Richmond, Caswell, Alamance, and Lee.

Seasons for other game birds and animals not mentioned remain unchanged.

#### Closed Season on Doe

Season for hunting doe (deer) closed for a period of two years, beginning September 1, 1929. Burden of proof is placed on hunter to show that deer taken during season are of legal sex. Possession of deer with

evidence that same are doe.

#### Regulations on Taking Fur-Bearing Animals

Full authority is given the Board of Conservation and Development to make regulations governing manner of taking fur-bearing animals with steel traps, and to prohibit use of steel traps in any county or district after petition and hearing as prescribed by law.

Cutting down den trees in taking fur-bearing animals is made unlawful.

Non-resident owner of land in North Carolina may hunt on own property by paying license fee of \$5.25.

#### Trappers' License

Fees for all persons trapping fur-bearing animals were set as follows: Resident county license, \$2.25. Resident State license, \$3.25. Non-resident State license, \$25.25.

#### Hunting Guide Licenses

Fee to be not more than \$10 for any person acting for hire as a hunting guide. The Board of Conservation and Development is empowered to provide classifications, and to fix fees within said limit as to class. Board is also authorized to prescribe rules and regulations respecting duties of guides and to require guides to take such oath to respect game laws. Loss of license is set as a penalty for guide convicted of violating the game law.

#### Combination Licenses

Board of Conservation and Development is authorized to issue combination licenses for hunting and trapping, and for hunting and fishing, the amount of fee to be less than the total for hunting and trapping, or hunting and fishing licenses, when purchased separately.

#### Fur Dealers License

Licenses in the following amounts are required of any person, firm, or corporation engaged in the business of buying and selling raw furs: Resident State-wide license, \$100.00. Resident County license, \$10.00 and for each additional county in which licensee deals in furs. Non-resident State-wide license, \$400. and \$50.00 in addition to be collected by each county in which the business is carried on.

Every person or firm who takes out fur dealers license is required to report to Department of Conservation and Development on April 1 of each year the total number of furs purchased, the species and number of each and such information as required by the Department.

#### Expiration of Licenses

ALL licenses issued by the Department of Conservation and Development expire on the first day of August succeeding date of purchase.

#### INLAND FISHERIES LAWS AND REGULATIONS

RESIDENT: No county license required except where authorized by County Commissioners under optional clause of law of 1929. Resident county license, \$1.10; daily permit, 50c. Resident county license required of persons fishing by any method in the following counties: Buncombe, Hay-

wood, Graham, Swain, Jackson, Madison, Henderson, Yancey, Mitchell, Iredell, Alexander, Macon, Clay, Polk, Avery, Polk. Resident State license \$2.10, required of all persons fishing outside of their home county or waters abutting thereto.

#### NON-RESIDENT STATE LICENSE: \$3.10

NO LICENSES REQUIRED: (1) of persons under 16 years of age; (2) of persons fishing in the Atlantic Ocean, the sounds or other large bodies of water which do not, in the judgment of the Department of Conservation and Development, need to be stocked or protected; (3) of owners of land or members of their family under 21 years of age for fishing on their own property.

Angler is required to carry license on person and to display license button on outer garment while fishing.

#### License For Propagating Bass And Trout

LICENSE REQUIRED: Fee of \$25 is prescribed of any person or firm propagating any species of bass or trout; for all other species of fish, the sum of 50c. Payment of this fee also gives licensee the privilege of fishing in all public fishing waters of the State.

#### Open Season, Bag, And Size Limits

BROOK OR SPECKLED TROUT: April 15 to September 1. Minimum size limit, 6 inches, bag limit, 25 in one day.

RAINBOW TROUT: April 15 to September 1; minimum size limit, 8 inches; bag limit, 25 in one day.

BLACK OR LARGE MOUTH BASS: June 10 to April 20 of succeeding year; size limit, 12 inches; bag limit, 8 in one day.

SMALL MOUTH BASS (MOUNTAIN COUNTIES): June 10 to October 1 of each year; size limit, 12 inches; no bag limit prescribed.

BLUE BREEM: No seasonal regulations; minimum size limit, 6 inches; bag limit, 50 in one day.

RED BEAM: No seasonal regulations; no size limit; bag limit 50 in one day.

STRIPED BASS (ROCK): No seasonal regulations; minimum size limit, 8 inches; bag limit, 10 in one day.

ROBIN: no seasonal regulations; minimum size limit, 5 inches; bag limit, 50 in one day.

CRAPPIE OR CHINQUAPIN PERCH: no seasonal regulations; minimum size limit, 6 inches; bag limit, 50 in one day.

REDFIN: no seasonal regulations; size limit, 8 inches; no bag limit.

GOGGLE-EYE: no seasonal regulations; minimum size, 6 inches; bag limit, 50 in one day.

## BLACK OAK BARK AND CHESTNUT OAK BARK

We are in the market for all the black oak and chestnut Oak Bark you can deliver.

Our line of groceries, fertilizers, feedstuffs and seeds is complete. And our prices must be right, otherwise we would not sell as much as we do.

J. W. HASTINGS

## AN IMPORTANT DECISION

Yes, your decision may determine whether 1929 will be a bumper year or a bad one on your farm. Give some real thought to the question, "How much fertilizer shall I use and what quality?"

We are prepared to help you determine what quantities should be used for your different crops. We have already arranged to furnish you with

fertilizer of the best quality. A stock of Armour's BIG CROP Fertilizer is on hand. It is the highest quality fertilizer on the market, mechanically perfect, highly concentrated so that you have no unnecessary handling of bulky filler. What is more, it has produced results for farmers under the same conditions we have right here in this county. Come in and talk over your fertilizer problems on your next trip to town.

## This year—have the finest garden in the block!

"ALTHOUGH two weeks late in planting my garden, compared with neighbors," writes Merl J. Ross of the Iowa State College, Ames, Iowa, "I had vegetables before they did—crisp, fresh and of good quality."

"Vigoro did it! And gave more than satisfactory results on my lawn and a new hedge. Newly seeded grass succeeded wonderfully despite a very dry season."

CLEAN!  
Sown by hand like grass seed  
ODORLESS!

Vigoro is not to be compared with any other plant food you have ever known. No unpleasant odor! No dust! So clean you can scatter it by hand or sift from your kitchen colander!

This ideal plant food is the result of years of experiment by Swift & Company's gar-

den experts. It provides a balanced ration throughout the season. Gives a quick, vigorous start—produces crisp, succulent vegetables.

#### Economical—Effective

An economical and effective way to secure finest results! Proved not only by scores of expert gardeners on famous estates, but by thousands of home owners as well.

At a small cost of 10 to 20 cents per 100 square feet, your gardening efforts can be successful. Why not, this year, have the beautiful lawn, flowers, shrubs, and trees you have always wanted? A garden, too—crisp, succulent vegetables of all kinds. Your property will be improved, its value enhanced.

Full directions for applying Vigoro in every bag. In paper-lined bags of 100, 50, 25 lbs., and 5 lb. packages.
