HERE TO STAY

Why have prices on poultry and eggs for the past two or three months remained unusually high in Macon and adjoining counties? Has competition had anything to do with it? Just figure that out for yourselves.

F. B. Price, Jr., Inc., who has a big poultry plant at Salisbury is buying poultry in this section of the state and he is here to stay and thus to guarantee the farmers of Macon and other counties the top prices for poultry and eggs. And by the way, just who established the egg market in Macon county? Before F. B. Price entered the field here is it not a fact that you sold your eggs anywhere and everywhere for any price you could get?

WE ARE HERE TO STAY. Let us have your eggs and poultry and you will never regret your actions.

F. B. Price, Jr., Inc.
