

**COWBOY WHO FOUND TONY IS IN TOM MIX FILM**

Among the cowboy actors appearing with Tom Mix in "King Cowboy," the FBO production at the Macon theatre next Wednesday, is Pat Christman, who was ranch foreman of the famous old "101 Ranch" in Oklahoma when Tom was tending herd there in his early days on the range and has been with Mix ever since, through all his motion picture career. It was Christman who advised Tom to buy Tony, the horse that has since become world-famous, when they first saw the colt trotting beside its mother on a peddler's wagon.

**THRILLING DRAMA OF OLD-TIME WEST AT LOCAL THEATRE!**

A thrilling drama of the old-time west is coming to the Macon theatre Saturday when Tom Tyler and Frankie Darro appear in "The Tyrant of Red Gulch." It is a story of the days when the west was ruled by the men who threw the straightest gun in the smallest amount of time, and is calculated to make all lovers of western action sit up and take notice.

**JUNIOR COGHLAN A BOY SCOUT**

Boy Scouts try to do their "one good deed every day." So members of the company appearing in "Marked Money" learned through the courtesies extended them by Junior Coghlan, ten-year-old featured player in the company, who is a member of Scout Troop No. 90, of Hollywood.

During the weeks spent in filming the picture Junior could chalk up not one but several good deeds each day, varying from fetching a chair for the script girl to giving part of his lunch to a child who watched the company work while on location one day.

George Duryea, Virginia Bradford and Tom Kennedy have other featured roles in "Marked Money," which comes to the Macon theatre on Friday next. The picture was directed by Spencer Bennet.

**Fishing Out of Season**

According to reports reaching Franklin men were fishing in Rabbit Creek last season opened Monday.

trout one year ago and again this year. Some of the citizens living on the creek are highly indignant, that the law has been violated and state that unless the guilty parties cease such violation they will be prosecuted.

**Soybeans**

Every farmer in Macon county should grow at least one acre of soy beans or cow pea hay for every cow they intend to milk next winter. They should also plant some to turn under and improve their land. The county agent has ordered about 70 bushels for farmers of this county and will be glad to order for all of those who have not seen him. The following is a price list on soybeans and cow peas delivered to Franklin:  
 Laredo Soybeans .....\$5.20  
 Mammoth Yellow Soybeans ..... 2.45  
 Hemberlondt Soybeans ..... 2.60  
 Whippowill cow peas ..... 3.95  
 Clay cow peas ..... 3.75  
 Those who want soybeans or cow peas this spring either see or write your county agent. The above are prices on ten bushel lots. If anyone does not want that many order with your neighbors so your seed will not cost you 15 cents more per bushel.

Mr. Hayes Gibson of Leatherman, was among the business visitors here last Tuesday
