Tippitt

On April 9, 1929, the death angel came and carried Uncle Tom Tippitt away to the Great Beyond.

He suffered for a long time with Bright's disease, but he was patient through it all. Uncle Tom was sixty-seven years old. He was always kind to everybody. Every thing was done for him that loving hands could do. He had many friends and relatives who visited him during his illness and were always ready to help him. It was hard to give him up but God saw best to take him home to rest. He leaves to mourn his departure a wife, three sons and one daughter. One son having preceded him to the Great Beyond some two or three years ago. He was a member of the Cowee Baptist church.

The funeral service was conducted by Brother Cloer and Bradley. The body was laid to rest in the Cowee cemetery to await the coming of Jesus.

Tuesday morning of this week the ground was covered with frost. It is not believed here that the cold damaged the fruit to any considerable extent.
