

# BIG REMOVAL SALE

"What's the excitement? Did the officers catch a rum runner or is it a dog fight?" "Neither, Brother. That's just the immense crowd down at Myers Brothers Big Removal Sale."

Yes, Folks. We are closing out at Franklin and on the first day of June will open up in Mountain City just across the Georgia line. But from now until that time we are putting on the greatest bargain carnival ever seen in Franklin. Our entire stock of goods worth several thousand dollars will be sold at wholesale prices and below.

Everybody knows that Myers Brothers sell merchandise six days in the week at prices that can't be bettered. But when we put on a SALE it's time to sit up and take notice. We mean to sell our stock of goods and it will be your misfortune if you do not take advantage of the bargains.

For this sale we have leased the store formerly occupied by the Sluder-Garrett Furniture Company. We are quoting no prices here, but every article in stock is marked with price tag. This sale is strictly cash, but what a dollar will buy here will make a five dollar bill elsewhere look mighty small.

We can't begin to name all the articles in our store, but here are a few.

Ladies' and Misses' Dresses, silk hose, hats, lingerie, shoes.

Men's suits, work shoes, dress shoes, felt hats, straw hats, sweaters,

Baby shoes, children's shoes, stockings, socks.

During this sale we will sell Flour, Lard and Sugar at wholesale prices.
