

HIGHLANDS—THE ROOF GARDEN OF THE SOUTHEAST

Highland Flings

The new Methodist minister, Rev. Crosan and his wife and child were welcomed into Highlands Wednesday and are now ensconced in the parsonage. Members of the Methodist church and friends gave them a pounding Friday night.

A Hallowe'en masquerade was given at the school house Friday night for the benefit of the Parent-Teachers Association. The hall was elaborately decorated in Hallowe'en colors.

Many original and attractive costumes were seen, the prize for the best costume going to Master Luther Rice, Jr., who made a very swash-buckling pirate. Dancing was enjoyed also various contests, one of which was to determine the most beautiful girl present. Miss Helen Holt received the prize for this. Professor Otto Summer won the contest for guessing the correct seed in the cake, and the cake being the prize. The stage was realistically decorated to represent a grave-yard with a huge harvest moon above the white tombstones and ghosts who groaned and wailed very convincingly. Mrs. E. Potts was the very competent chairman of arrangements, assisted by Miss Bernice Durgin and Mrs. J. A. Hines, and several of the high school students.

Friends of Mr. Billie Pierson attended a surprise party to celebrate his eighteenth birthday Tuesday night. Delicious refreshments were served and a very pleasant time was had by all present.

The Parent-Teachers Association met Tuesday afternoon. The officers of the Highlands P. T. A. are Mrs. A. C. Holt, president, Prof. O. F. Summer, vice president, Miss Verna Holbrook, secretary, Mrs. C. H. Zoelner, treasurer.

Friends of Mrs. Lamb Perry are very glad to see her out again after a very long illness.

Mr. Wilton Cobb made a short trip to his old home in Westminster Monday.

A meeting of the Taxpayers-League was held in the school auditorium Tuesday evening.

Mr. James of Walhalla was a visitor in Highlands Sunday.

Hallowe'en afternoon, a delightful shower was given by Mrs. Tudor N. Hall for Miss Eloise Rice, who is soon to be married to Mr. Rucker Raglan of Miami Beach, Fla.

The rooms were beautifully decorated, the color scheme being black and orange with streamers of these colors radiating from the chandelier in the center of the living room in all directions ending in black cats and pumpkins. Jack-o-lanterns were placed over the windows and doors.

The shower presents were hidden in different parts of the room behind alarm clocks which went off at inter-

vals of a few minutes, the bride-elect finding the gifts behind the clocks.

Delicious refreshments appropriate to the season were served.

Mr. and Mrs. Roger H. Smith of Lexington, Ky., are spending a time at the Central House. Mr. and Mrs. Smith will probably be with us all next summer as they are building a lovely home on the golf course.

Mr. Raymond McCarty is now in Highlands. His many friends are glad to have him back even though it is for only a short time.

HARBISON GOES TO MISSISSIPPI

T. G. Harbison, southern collector for Sargent's "Manual of the Trees of North America," and a resident of Highlands, has gone to Mississippi for two months of botanical research in collaboration with Dr. E. N. Lowe, state geologist for Mississippi.

Mr. Harbison, a former student at Harvard was walking from Mississippi to the New England states on a botanical tour in the 80's. When he came to Highlands, he found the region so rich in botanical specimens that he eventually settled there. He first came to the town as principle of the school. Later he took the work of collecting for Sargent's Manual and still later he collected specimens for the Vanderbilt Arboretum in this state.

At Highlands, Mr. Harbison has discovered and described several species of plant life previously unknown to botanists. Highlands is the type locality for these specimens. Mr. Harbison owns extensive orchards in the section.

DANCE IS HELD AT SCOTT GRIFFIN

The management of the Scott Griffin hotel held a Hallowe'en dance in the roof garden of the building, Friday, November 1. The following guests were present:

SCHOOL MA'AMS OPEN 'POSSUM SEASON

The hunting season is open. And school teaching does not offer enough thrills to vivacious school ma'ams—especially during the hunting season. So last Monday night Misses Rachael Davis, Meatta Bringle and Myrtle Francis Wyatt started hunting.

Before they had gotten out of "ollering" distance of their boarding place, at Mrs. W. M. McGuire's, they caught a 'possum. And they did not have a hunting license!

CHRISTIAN CHURCH NOTICE

On the fourth Sunday in November Mr. D. Woolum of East La Porte, N. C., plans to come to Walnut Creek school house to preach at 11 A. M. His subject will be, "The Church," to be preached again by request. To everybody is extended a cordial invitation to come and spend the day.

Gas Brings Laughs, Tears At Franklin

Dreary fog clouds capped the great mountain peaks. Flurries of rain swept down from the mountains and wet Franklin's streets. Not many people could come out into such weather to patronize Zeb Angel's market and grocery.

Wiley Carpenter stood behind the market counter dreaming pretty day dreams. Of a sudden he left the market with a tear or two falling down his face. He swung his 180 pounds to the front door. People passing along the street suddenly cut across to the opposite side. They were not afraid of Wiley, to be sure, but they were afraid they also would cry for it seemed as though tear gas had been loosed in the vicinity.

Then out stepped Lyles Harris, editor of the Press.

"This is laughing gas," asserted the optimistic editor. And he went off laughing. Others laughed, and still others cried.

Zeb Angel had loosened the cylinder head on the ammonia tank in the market basement.

ANDREWS BEATEN BY SCORE OF 13-0

Franklin won its fifth consecutive football game on Tuesday when the local eleven defeated Andrews at Andrews by the score of 13 to 0.

The first quarter was scoreless, with the two teams battling on almost even terms. In the second quarter Henry scored the first touchdown for Franklin with a line buck, and Houser made the extra point with a pass. The score was 7-0 at the end of the half. Franklin was penalized 15 yards for holding at one time during the half, and later was again penalized 15 yards for roughing a punter.

In the third quarter Andrews came back with hard line bucks to gain two first touchdowns. Andrews was penalized three times for roughness. Then Wilkie, for Franklin, dashed 20 yards for a touchdown on a fake play. The last quarter was scoreless, and the game ended with the score 13-0 in Franklin's favor.

CARD OF THANKS

We wish to thank our many friends and neighbors for their kindness and gifts to us in our troubles and loss by fire. Mr. and Mrs. S. S. Green and family.

lter

P. T. A. Meets

The P. T. A. met last week with Mrs. Mangum and Mrs. Lyles Harris, joint hostess. There was a large attendance. The new president Mrs. Callahan, was installed in office and given a cheery welcome. Mrs. Mock gave the secretary's report of the meeting. Mrs. Lancaster gave a very interesting talk on the office of the Grade Mother, which was thoroughly enjoyed. Most of the grade mothers were present.

The question of the crossing near the school was brought up. Mrs. W. A. Rogers was appointed to appeal to the city fathers on the subject, and see if something can be done before some accident occurs.

Several questions pertaining to the lunch room were discussed. Dues were collected. The program was then turned over to the entertainment committee. Mrs. Dick Jones gave a splendid reading entitled, The Highway Man, and for encore, Mud Pies. Refreshments were served and the P. T. A. adjourned to meet next month, December 6, with Mrs. Robert Mock.

SQUARE PAVED

The square facing the post office building and lying west of the court house is being paved by the street

forces of the town. The portions of the square on each side of the street are being used for parking space. The side west of the street was completed early this week. The side next to the court house will likely be paved later, but not at the present time. It is understood that the cost of this work done so far is about \$325.

The square east of the court house may be paved. The town board of aldermen is asking the county to meet half of the expenses of doing this paving.

Zonite

For pyorrhea

For prevention against gum infections, use Zonite, the new powerful antiseptic. Also guards against colds, coughs and more serious diseases of nose and throat.

JUST HALF THE QUANTITY FOR A CUP—

In other words—Coffee plus Chicory, as in Gold Ribbon Blend, is delightful to taste and it's praised by authorities for its health value. Double strength, too—that means twice as many cups from a pound.

DOUBLE STRENGTH USE ONLY HALF AS MUCH AS OF ORDINARY COFFEE.
