MACON COUNTY BAPTISTS TO BEGIN S. S. CAMPAIGN

The Baptist churches of the Macon County Association are looking forward with a peculiar interest to the week of November 24 to December 1, when they are put on a Sunday School Revival and Enlargement Campaign in twelve or fifteen churches. The association is being assisted in this movement by the Baptist Sunday school board of the Southern Baptist Convention, Nashville, Tenn., and the Baptist State Mission Board of Raleigh.

A religious census of the communities contiguous to the churches participating will be taken on Sunday afternoon, November 24th. During the week, this information will be assorted, graded and tabulated and made ready for use. The organization will be strengthened and enlarged

to adequately take care of the possibilities found.

A course in Sunday school administration will be taught each night in the churches co-operating using "Building A Standard Sunday School" as a text book. A beautiful diploma will be awarded those completing the course and making the required grade. There will also be a meeting at the Baptist church in Franklin each day at 10 o'clock. This meeting is for reports from the churches and for information concerning the campaign. There will also be periods for devotion and inspiration, in these day meetings. It is expected that the pastors and teachers will attend these meetings.

There will be a number of workers of experience from many sections of North Carolina and other states in Macon county at this time. Each church taking part will entertain their worker in their community. The Sunday School Board has found this to be the most effective means of building up the Sunday schools and of strengthening the churches as a whole and its workers are engaged in this type of work in all the states of the South all the time.

A. V. Washburn, district field worker for Western North Carolina has charge of the campaign with Dr. Walter M. Lee assisting as local director. A number of churches have already entered into the movement and any others desiring workers will see or write Dr. Lee at once. The first meeting will be held at the Franklin Baptist church on Saturday afternoon, November 23rd, at 2:30 when each church will be represented to meet and carry out the worker assigned them.

BAPTIST

Mrs. W. L. Higdon gave the ladies of the W. M. S. a sewing party last week. It was an enjoyable day.

Harley Guest and Henry and Francis Oliver have brought foodstuffs for Sylva Collegiate Institute; also the families of Jud West and Oscar Bryant.

The church elected the following delegates to the State Baptist Convention: Dr. W. M. Lee, S. L. Franks, John E. Rickman, W. L. Higdon, Chas. Blaine and Frank I. Murray. Others will be appointed by the pastor. The party will go by auto, Wednesday.

The Home Board debt papers were referred to a committee, viz., John E. Rickman, W. L. Higdon, Frank I. Murray and M. L. Ledford.

The house was pretty well filled at the morning service last Sunday. The pastor preached the first sermon in the series on the Marvels and Mysteries of Revelation. The choir was well filled and the music was excellent. Mrs. Avery Cunningham sang a solo.

There have been over 33,000 chapters read in the Bible so far. We have 173 who have agreed to read the New Testament through.

The church letters of Mr. and Mrs. Dehart were read to the church and their names placed on the church roll.

Several jars of jelly have been brought to be sent to the Sylva Collegiate Institute. The church promised to send jelly, jam, apple sauce, pickles, etc. Bring them to the pastor.

Several cars of men and women will go to Shelby to the Baptist convention. Arrangements were made Sunday afternoon to take those who could go.

Special efforts are being made to enlarge the gifts to the united program. Thanksgiving day is specially set for the orphans.

The pastor preached at night his first sermon on Home Problems. Sermons on the home every Sunday night.

Johnny Rogers is calling the members of the B. Y. P. U. in special program making meetings. Programs are made two months ahead.

Herman Childers visited Mt. Hope church to secure their cooperation in the Sunday school enlargement campaign and Frank Murray visited Cowee church for the same purpose. Cowee agreed to have a worker.

Let us press on with the Bible reading. 50,000 chapters by January 1st. The figures are now around 34,000. Write a card to Mrs. Frank Murray and report your Bible reading.

The pastor visited several of the churches of the county last week with A. V. Washburn, Sunday school field

man, to secure cooperation in the Sunday school enlargement campaign. All workers who do not attend elsewhere are invited to attend the sessions at the Franklin Baptist church every night, November 24—December 1st.

Come to church every Sunday morning and hear the sermons on Revelations. This book of mystery is deep in meaning. Its types and symbols are beautiful and impressive. It conveys a spiritual message to all Christians. It tells what the Living Christ is doing and will do for his people. It presents Christ as the head of the church. It declares that Christ protects, comforts and perfects his churches. It shows how Christ works through the spirit to convince of sin, comfort, and sanctify his saints. Come every Sunday morning.
