

WALNUT CREEK

Well, this has been a very inclement day. Rain turning to ice as it falls, cabbage just piled in the garden (not buried because of so much rain) got a thorough freezing recently. Plenty of sweet and Irish potatoes still undug.

The news has just leaked out that Miss Pearl Peek and Leeman Fox were recently wed. Best wishes to the couple.

Miss Myrtle Fulton was called to Angel Bros. hospital Friday afternoon to the bedside of her mother, Mrs. John Fulton, who had just undergone an operation for a cancer. We hope Mrs. Fulton will recover rapidly. She is one of our leading citizens in this part of the county.

Miss Bertha Watts, of Cartoogechaye, is now visiting her sister, Mrs. Mises.

Mr. Ekel Lowery of Flats, was visiting Mr. C. D. Moses this week end.

No! Ten thousand times no! We do not want our taxes raised to build a new jail. Law abiding citizens are going to have no need of a prison for themselves and let the prohibition law breakers, etc., stay in the cages if they can not be wise enough to stay out of prison. Why provide such excellent beds for law breakers at the expense of we housewives. Towels made of salt sacks, pillow cases of bran sacks, sheets, quilt linings, childrens clothes and women's clothes of the lowly flower bags, cottonseed meal sacks for bed ticks and quilt padding, sugar bags of quilt "truck" handkerchiefs and many other things. Yes you —make a canvas of this section of the coun-

try and you will find how true all this is. Sure I believe in economy, thrift, etc. But seems to me like we have about gone the limit of saving and, 1928 —taxes not all paid, 1929 taxes due, and 1930 taxes soon to be listed. Bread will have to be bought before another crop can be raised, by nearly every family in this section, besides the many other expenses that already await the average family.

Have a little mercy on us and don't raise our taxes for a little while, if possible.

Yours,
MRS. F. E. MASHBURN.
