

**ELLIJAY**

Our school closed Friday, March 14, with an entertainment in the afternoon.

Grayson Higdon, son of Mr. T. B. Higdon, needs special mention as he has attended school at Higdonville the past five years without missing a day. Can any other boy or girl in the county say as much about attending their school?

Carl and Mayme Moses have gone to Cullowhee to attend Western Carolina Teachers' college.

Sunday school was organized at Higdonville Sunday, March 16, with Mr. John Corbin as superintendent.

Mr. William Crawford, of Higdonville, entered Western Carolina Teachers' college last week for the spring quarter.

Rev. Jesse R. Owen, one of the teachers at Mars Hill college, visited his sister, Mrs. T. P. Moses, on Ellijay one day the past week.

Mr. Lorentz Moses, wife and boy went to Hamburg, Saturday, to visit Mrs. Moses' parents.

We are glad to report that Mr. Willie Frady, son of Mr. Geo. Frady, is improving from an attack of pneumonia.

**FEARED HE WOULD HAVE TO QUIT JOB**

"My health was so bad I was afraid I'd have to give up my job, but Sargon put me on my feet again and I have more strength and energy than I've had in 20 years.

JOHN M. FABIAN

"I had been going down hill for 10 years. My whole system seemed poisoned. I was tortured at times with pains in the back of my head and sides and I could hardly digest anything. Five bottles of Sargon made me feel like a new man. I have a fine appetite, my digestion seems perfect, I've gained several pounds in weight and a lot of new energy. I sleep like a farm boy and mornings am ready for a hearty breakfast and a hard day's work. Sargon Pills rid my system of poisons, stimulated my liver and ended my constipation."—John M. Fabian, Charleston.

**Real Cigarette Pleasure**

WHY BE SATISFIED with less smoking pleasure when for the same price you can have the luxury of Camels?

Camels stand alone. If you merely want to puff, anything will do. But if you want to know the true delight of smoking—to enjoy the mild, mellow fragrance of superbly blended Domestic and Turkish tobaccos, brought to perfection by the most scientific methods of manufacture but with none of the delicacy of its natural goodness lost or spoiled by over-treatment—then Camel is the cigarette for you.

You'll find in Camels all the exquisite enjoyment that can be packed into a smoke.
