Graduation Exercises

Four boys and four girls graduated from Highlands high school Friday night, May 23.

The stage was appropriately decorated with the class colors and clusters of laurel blossoms. In the center of the rear wall of the stage was a flower wheel with the name of a senior inscribed upon each spoke.

The girls were becomingly dressed in white frocks with arm bouquets of roses. The boys wore dark coats and white trousers, the small mascot, Roy Potts, son of Mr. and Mrs. J. E. Potts, wearing the same.

The exercises were preceded by the presentation of certificates by the principal, Prof. Summer, to the students who had neither been absent or tardy during the year. The recipients of the certificates were Edison Picklesimer, Ronald Baty and Newell Wright.

The exercises were opened with the invocation by Rev. C. R. McCarty of Augusta. Next was the salutatory by Harry Wright which was very well delivered. Following the salutatory was the class poem composed and recited by Louise Edwards. Next was the class history set forth in a very interesting way by Albert Wiley. Elsie Crunkleton read a clever class prophecy followed by the bibliography by Weldon Paul which was composed in a surprising and original way. A witty class will was then read by Virginia Pierson after which the valedictory was given by Bessie Neely.

Prof. T. G. Harbison made an inspiring address to the seniors in which he brought out many interesting points.

Prof. Summer then made a brief but appropriate talk to the class after which he presented them with their well earned diplomas.

The exercises were closed with a song composed by Mrs. M. A. Pierson sung by the class.

Grace Wright and William Potts Are Medal Winners

The boys' debate and girls' reading contest was held at the school auditorium last Thursday night, May 22. William Potts was the winner of the gold medal presented annually to the best boy debater and the medal for the best girl declaimer was awarded to Grace Wright. Both Grace and William are juniors in high school.

The judges of the boys' debate were Mr. R. R. King of Anderson, S. C., Rev. C. R. McCarty and Mr. A. J. Salinas, Jr., of Augusta, Ga. Those who selected the winner in the girls' contest were Rev. L. E. Crowson, Mrs. E. R. Gilbert and Mrs. S. T. Marcet.

The query for the boys' debate was Resolved That Trial by Jury System in Criminal Cases Should Be Abolished. On the affirmative side were Glenn Shuler, William Potts and Edison Picklesimer as captain while the negative side was composed of Harry Wright, Louis Edwards and Leon Calloway acting as captain. The affirmative side won.

Albert Wiley was chairman of the debate and made a very interesting address preceding the program.

First in the girls' contest was Virginia Pierson who recited "The Swimm'-hole in the Church." Bess Hines then gave a reading entitled "The Highwayman;" third was "Penrod's Busy Day" by Louise Beale and last was "The Triumphs of Faith" by Grace Wright. Bessie Neely was the competent chairman of the girls' program.

The participants in these two contests were all exceptionally good and Mrs. Pierson and Prof. Summer are to be commended on the excellent results of their training of these students.

Senior Play Success

Brown, Brown and Brown, the senior play was presented at the school auditorium Wednesday night. Mrs. Pierson deserves a great deal of credit for the success of this play as she coached the students taking part in it, and their splendid performance reflected her training very favorably.

Also the most important roles were acted by the seniors some of the undergraduates took part in the program also. The cast consisted of the following students: Albert Wiley, Bessie Neely, William Potts, Virginia

is closing out its saw mill business here.

Mrs. Ardenia Allen, of Cowee, was visiting her mother, Mrs. J. L. Smith, recently.

Pierson, Elsie Crunkleton, Harry Wright, Tearley Picklesimer, Louise Edwards and Weldon Paul.

Preceding the play Prof. Summer presented the seventh grade with diplomas.

Monologues by Ronald Baty, Mary Paul and Eva Potts greatly added to the already interesting program.

The house was filled to capacity and overflowing, many in the audience having to stand.

Episcopal S. S. Wins Banner

For making the greatest increase in attendance of all Sunday schools in the Western North Carolina diocese of the Episcopal church, the Sunday school of the Church of the Incarnation was presented with the banner.

The field secretaries, Miss Summer, Miss Wetmore, of Christ church and Miss Smith of Lincolnton brought the banner to the Sunday school Wednesday, May 21.

Washington Letter

By FRED HOLMES, Washington Correspondent of The Press

Washington, May 28.—The Capitol has this week provided or contributed to the provision of a number—possibly an unusual number—of things political, or economic, or otherwise of more or less national interest.

Of course, Mr. Grundy discovered that he was not quite so popular in the Keystone state as he seemed to have imagined and the administration certainly has no cause for disappointment in the selection of Mr. Davis by his party to enter the race for a senatorial toga. Of course, the conferees of the Senate and House got together on the tariff bill to the vast disconcertion of the Democratic-insurgent coalition and with undoubted deference to administration demands.

Of course, Mr. Owen J. Roberts, of Pennsylvania, was unanimously confirmed as Associate Justice of the Supreme Court as a result of ceremonies which lasted just about sixty seconds. Of course, the London Naval Pact and its preliminary consideration by the Senate has provided food for thought for the few who know anything about it anyway. Of course, Mr. Henry Ford and some others who have developed abnormal swellings in the regions of their bank balances, as a result of a general demand for speeding up transportation, have announced their opposition to a tariff which is altogether too apt to result in reprisals from nations with which they have been doing business and with which they hope to continue to do business. Of course, investigation of the so-called Anti-Saloon League lobby has brought to light many surprising and to some exceedingly abnoxious revelations. Of course, there have been rumblings from our next door neighbor Canada which, to put it mildly, have caused uneasiness in the minds of those who feel that our already overfed industries should be still further gored.

It is generally thought here that Mrs. Dennett was absolutely right. There is and there always will be dirt in the atmosphere around us. It is suggested that what we need is not a screen to camouflage its existence but the development of a kind of wholesomeness which is immune from contamination. You cannot create pure minds by restrictive statutes; what Mrs. Dennett called "the hush plan of education" is no preparation for modern life. The young man or woman who has never met temptation cannot be armed against it.

Goes to Town Alone First Time in Months

MRS. ALICE BRADLEY

"I don't know what there is in Sargon, but it's the most wonderful medicine I ever took in my life! Today is the first time I've been able to come down town alone in six months and it is due to the wonderful strengthening effects of this remarkable medicine!"

"For months my nerves were upset and I was so rundown that I was unable to do any housework, and hardly able to get out of the house. I was so weak I spent most of my time in bed. My appetite was poor, the lightest foods disagreed with me and I suffered continually with chronic constipation. I am on my fourth bottle of Sargon, my appetite is splendid, my digestion is perfect. I'm strong and energetic, my nerves are strengthened and my housework is really a pleasure. Sargon Pills have rid me of constipation for the first time in years."—Mrs. Alice Bradley, 855 Capp St., San Francisco. Perry's Drug Store, Franklin, N. C., Agents.—(Adv.)
