SARGON BENEFITS 4 IN THIS FAMILY

"I've been in miserable health ever since I began having attacks of acute indigestion seven years ago. A dis-

ordered liver and constipation kept my whole system toxic. Headaches sometimes would last for a week and rheumatic pains in my arms and legs hurt me nearly all the time. Four bottles of Sargon rid me of every ailment I had! I've gained weight and have more strength and energy than I ever thought I'd have again. This medicine also helped my wife, daughter and son-in-law as much as it did me.

"Sargon Pills didn't weaken or upset my system but completely overcame my constipation and straightened out my liver."—W. N. Hyatt, 437 Broadway, Asheville, well known contractor.

August 29 Is Date Of Flower Show

The annual Macon County Flower show will be held Tuesday, Aug. 29, in the building next to Perry's Drug store, under the direction of the Garden club.

All Macon county residents having any flowers are urged to bring them, as many gardens have been injured by the dry weather, and the supply of flowers is limited.

The doors will be opened to the public at 2 p. m.

Out of town judges will be selected.
