

15,000 DEMAND SARGON DAILY

Vast Growing Army of Sargon Users, Marching Single File, Would Encircle Globe in Only Few Years Time

(By Richard L. Simms)

ATLANTA, GA.—More like a tale from the Arabian Nights of old than a record of modern business achievement reads the story of the marvelous growth and development of Sargon the New Scientific Compound which has become the sensation of the drug trade throughout the United States Canada and other countries.

The old illustration of the pebble dropped into the pool best describes the phenomenal and unprecedented demand and its fame is rapidly spreading over the entire continent.

Recently compiled figures reveal that approximately 15,000 men and women are marching into drug stores daily for Sargon and Sargon Soft Mass Pills, the marvelous new treatment that is restoring health to count-

less thousands by new and remarkable methods undreamed of only a few years ago.

Already more than 5,000 suffering men and women have put it to the test and have told other millions what it has done for them.

Marching regulation U. S. army fashion—single file—this vast army of Sargon users would reach from New York to San Francisco and at the present rate of sale—would, in a few years time, encircle the entire globe.

The only explanation of Sargon's triumph in the Medical World is Sargon's true worth. Back of its triumph in the drug stores is its triumph in the homes and it is the grateful endorsements of its millions of users that has made it the most widely talked of medicine in the world today.

Sargon is extensively advertised, it is true, but no preparation, no matter how extensively advertised, could possibly meet with such phenomenal success unless it possessed absolute merit and extraordinary powers as a medicine.

There can be but one possible explanation for Sargon's amazing success and it can be told in one word—MERIT!

Because of inclement weather conditions Sunday there was no Sunday school at Liberty. We are hoping that we will be able to keep our Sunday School going through the winter. By the co-operation of everyone in the community this can be done.

DREAMLAND

(By Marye Helene Elmore)

O, beautiful isle of far away
Where doves coo soft at break of day,
Where mermaids gather as of yore,
And bathe beside the sunny shore,
In dreamland.

'Tis in that happy summerland,
Sweet fairies gather in a band
To welcome idle dreamers there,
Who choose to be among the fair,
In dreamland.

There on the happy tropic strand,
I met in that charming sunny land
A fascinating little fay
Who greeted me in friendly way,
In dreamland.

We roamed through many a silent dell,
Fearing the charm of a mystic spell,
Along the banks of silvery streams,
In that quaint realm of lovely dreams,
In dreamland.

But suddenly there came a fear
Of danger lurking very near;
My heart grew faint with chilling pain,
'Gainst which I strove, but not in vain,
In dreamland.

The fay had said, "Make no mistake
Should you miss your goal e're you
awake,
Or if from a dream you should fall
Oh! Never will you awake at all,
In dreamland."

But I will risk the danger there,
And wander in that land so fair;
For earthly cares are there forgot,
And soothing pleasures are my lot,
In dreamland.

Waft me back to happy dreamland,
Back to that happy tropic strand,
The summerland of bright sunshine,
Where fairies of the dells are mine,
In dreamland.
