THE SNOW

(By Verna Shepard)

The snow is blowing all around,
The old turkey is fat and sound,
The snow is so cold and so white,
Our toes and our nose the snow will bite.
When it snows on the hill we can slide,
And fall, and maybe hurt our side,
Then we run into the house,
Where we'll sit as still as a mouse.

Business Man Makes Strong Statement

Robt. A. Strate, prominent business man, owner and general manager of the Bakery Equipment Co., Oklahoma City, makes the following statement regarding the recent recovery of his health:

"I suffered ten years with as bad a case of stomach trouble as any man ever had. It was impossible for me to enjoy a meal without suffering. I was terribly rundown. Five bottles of Sargon made me feel like a new man. I have gained sixteen pounds and have as much strength and vitality as I had twenty years ago. I have never found anything to equal Sargon Soft Lax Pills. They regulated me perfectly.

Baptist Church

There will be a communion service at the Baptist church Sunday morning, and Dr. Abernethy will preach on a subject suitable to the occasion. All members of the church are especially invited to be present at this service, and all others who will come will be cordially welcomed.

The Sunday school, under the leadership of Alex Moore, will meet at 9:45 Sunday morning and will study "Stephen's Contribution to Christianity." If you want to see Alex smile, come out in large numbers. The four B. Y. P. U. organizations will meet at 6:30 p. m., each one giving about 45 minutes in the study of the lesson, and then at the tap of the bell they all return to the main auditorium for the closing exercises.

The B. A. U. will have as their topic for study next Sunday evening, "The Church and the Kingdom of God."

The seniors will have as their subject, "Growing Through Worldwide Service" which is divided into eight paragraphs for discussion.

A full attendance is desired. The intermediates will use, "Learning From the Master Teacher" as their topic. You can see readily that this will be an interesting lesson.
