

AN OPPORTUNITY

FOR

Macon County

TO RECEIVE
THE LARGEST AND GRANDEST
Christmas Present
EVER KNOWN

ALSO AN OPPORTUNITY

For every full blooded self respecting man to lend his every effort and his substance to that end.

It is up to the leader or leaders of our community to bestir themselves toward formulating a practical plan whereby the Bank of Franklin may immediately reopen for business.

It is up to all laymen to stand by any practical plan presented for the reopening of the bank.

This opportunity grasped at the flood—now—will lead on to normalcy and therefore, prosperity. Neglected, there must follow continued stagnation and complete economic ruin for a large number of worthy people.

IT CAN BE DONE---

Have we enough sturdy men, men in whose veins flows the blue blood of conquerors, men who are worthy to be called what they are—descendants of those rugged pioneers who came and saw and conquered?

Or has the heroes' blood turned to water?

Let's show what we are made of, **GOOD PEOPLE, BY DOING.**

The time is here when the people should do some mighty straight thinking about their bank and about their community business.

At this time, above all others, the people of Macon need to think soberly, to go to work, to look forward, to have self confidence, to practice community confidence.

Will you do your bit toward the

Greatest Christmas Gift?

Where There Is a Will There Is a Way

MERRY CHRISTMAS TO ALL
