NOTICE

North Carolina, Macon County.

WHEREAS power of sale was vested in the undersigned trustee by deed of trust from Clifford R. Lewis and wife, Ester S. Lewis, to Henry G. Robertson, Trustee, dated July 17, 1926, and registered in the office of the Register of Deeds for Macon County in Book No. 30, page 273, to secure the payment of \$2,138.25, and whereas default has been made in the payment of said amount:

I will, therefore, by virtue of the power of sale by said deed of trust in me vested, on Monday the 23rd day of February, 1931, at twelve o'clock noon, sell at the court house door in Franklin, North Carolina at public auction to the highest bidder for cash the following described property:

A certain tract of land on Wayah Creek, adjoining the land of C. R. Lewis, conveyed to him by J. O. Harrison, and being the land described in a deed from Jesse W. Slagle to C. R. Lewis. For a description by metes and bounds see above deed of trust.

This the 23rd day of Jan., 1931.
HENRY G. ROBERTSON,
Trustee.

LARGER RURAL SCHOOLS URGED

Educational Commission Favors Merging of Small Units

RALEIGH, Jan. 28.—If the recommendation of the State Educational commission is followed there will be not only a fewer number of charter school districts, but there will also be nearly 200 fewer small rural high schools, it is learned from the report of that body.

The commission includes as a part of section 9 of recommended bill number one, which it submitted to the general assembly, the provision that it should be deemed unlawful for any county board of education in the state to provide for high school instruction in a district in which the attendance of high school pupils for the next preceding year was less than 50, unless and until every other plan for caring for such schools has been ascertained by careful calculations to be more expeditious.

The commission, it is learned, included this recommended change as a part of the proposed law after determining that high schools having fewer than 50 pupils are the most expensive type. According to its report there were 192 rural high schools which had less than this number in average daily attendance during 1929-30. These schools had from one to four teachers employed, a total of 370 in all.

The commission presents a table showing the number of high schools of various sizes throughout the State. According to this table there are 50 high schools having one teacher, 74 having two teachers, 166 having three teachers, 125 having four teachers, 109 having five teachers, 77 having six teachers, 58 having seven teachers, 31 having eight teachers, 15 having nine teachers, 8 having ten teachers, and 52 having more than ten teachers, a grand total of 774 public high schools. It is believed that by the elimination of 192 of this number, the remaining 582 could offer greater high school advantages at less cost.

Fruit Pudding

Dried fruits are delicious additions to steamed puddings. Dates, figs and raisins may be washed, chopped and added without cooking them; but prunes, dried peaches and apricots are better if first steamed tender.

To make the batter, cream a fourth cup of shortening, with two-thirds cup of sugar. Add a well beaten egg and a teaspoon of vanilla. Sift two and one-fourth cups flour, four teaspoons baking powder and a half teaspoon of salt. To the creamed mixture, add alternately a cup of milk and the sifted mixture. Mix the fruit with flour enough to coat it lightly and add it to the batter. Steam one hour and serve hot with a tart pudding sauce. The same pudding may be baked half an hour, in which case it will not be so light or moist, but you might like it as well.

NOTICE

North Carolina, Macon County.

WHEREAS power of sale was vested in the undersigned trustee by deed of trust from W. J. Zachary and wife, Maria, Zachary, to George B. Patton, Trustee, dated November 21 1929 and registered in the office of the Register of Deeds for Macon County in Record of Mortgages and Deeds of Trust No. 32, page 126, to secure the payment of three notes of even date with said deed of trust, payable to R. S. Jones and R. D. Sisk, Receivers, said notes aggregating \$6,000.00 due and payable \$1200.00 on November 18, 1930; \$2400.00 on November 18, 1931; and \$2400.00 on November 18, 1932, with interest from date at six per cent per annum, payable annually, and said deed of trust and notes stipulating that in case default should be made in the pay-

Tourist Traffic Showing Large Increase in W. N. C.

(Special to The Franklin Press)

ASHEVILLE, Jan. 27.—The annual winter tide of motorcars bearing the licenses of other states and flowing over the paved network of paved highways in Western North Carolina has more than doubled in volume during the five-year cycle since 1926, according to statistics recently compiled by the North Carolina State Highway commission. Twelve hour counts taken at the same time during January of each year show a gradual increase in the volume of tourist motor cars.

Counting the highway traffic at 44 different points near Asheville the state highway tabulators, noted 501 foreign licensed cars in the twelve-hour count of January 1926. The count taken at the same stations in 1931 revealed the fact that the licenses had increased to 1,140. In 1926 the foreign motor traffic was 4.0 per cent of the total traffic. In 1931 the percentage had increased to 13.4 per cent of the entire traffic count.

MRS. GEO. A. JONES IMPROVING AFTER MAJOR OPERATION

Friends of Mrs. George A. Jones, who recently underwent a major operation at Wakefield, R. I., will be interested to learn that she is rapidly recovering. She is now convalescing at the Wakefield home of her son, Dr. J. P. Jones.

ment of the first note or interest upon the same that the remainder of said notes should at once become due and payable, whatever might be the date of maturity expressed therein, and whereas the first of said notes has not been paid nor any part thereof, nor the interest thereon, the remainder of said notes with interest thereon are therefore, declared to be due and payable and the holders having requested the undersigned trustee to exercise the power vested in him by said deed of trust:

I will, therefore, by virtue of the power of sale by said deed of trust in me vested, on Monday, the 23rd day of February, 1931, at twelve o'clock noon, sell at the courthouse door in Franklin, N. C., at public auction to the highest bidder for cash the following described property:

All the lands described in a deed from W. J. Zachary and wife, Maria B. Zachary to Trimont Park, Inc., dated June 1, 1926 and recorded in the office of the Register of Deeds for Macon County in Book N-4 of Deeds, page 337, and more particularly described as follows:

Tract 1: Being all the lands conveyed by deed by John P. Jones and wife to Wiley Zachary, dated January 31, 1925, said deed being recorded in the office of the Register of Deeds for Macon County in Book J-4, page 459, said tract containing approximately 360 acres, to which deed and record reference is hereby made for a complete description of same.

Tract 2: All the lands conveyed by deed by W. B. McGuire and wife to W. J. Zachary said deed dated November 28, 1924 and recorded in the office of the Register of Deeds for Macon County in Book J-4, page 473, to which deed and record reference is hereby made for a complete description, said tract containing approximately 800 acres.

Tract 3: All the lands conveyed by deed from M. D. Billings and wife to W. J. Zachary, said deed bearing date of December 17, 1918 and recorded in the office of the Register of Deeds for Macon County in Book E-4, page 78, to which deed and record reference is hereby made for a complete description, said tract containing approximately 75 acres.

This 22nd day of January, 1931.
GEORGE B. PATTON, Trustee.

Cullowhee Normal Teachers Feasted At Banquet Here

Seven women members of the faculty of Western Carolina Teachers College at Cullowhee came over to Franklin Saturday, Jan. 17, evening and enjoyed a banquet at the Scott Griffin hotel. Members of the party were: the Misses Minnie McAuley, Eola Abernethy, Catherine Neal, Thelma Howell, Mary Denny, Ruth Meinury, Mary Hope Westbrook, Nannie M. Tilley, Jeanette Morse.

Food Economy

Nutrition may be gained from many simple and inexpensive food materials, and skilful blending and preparing of these makes as satisfactory a meal as more expensive viands. It is the art of the housewife to transform these plain foods into acceptable dishes which will nourish and please her household.

Too many families depend on highly refined and prepared foods, on rich fats in delicate form, and on sweet foods. The diet should include milk at each meal for children, some each day for adults; cereal in puddings and porridge; potatoes; green or yellow vegetables, as lettuce or carrots; tomatoes and oranges to provide vitamins. Canned tomatoes will do and are best raw. Dried beans, peas, peanuts, inexpensive cuts of lean meat, fish, and cheese will furnish muscle-building material.

Supplement these foods with liver and kidney and cod-liver oil occasionally, with molasses and yeast. To cook cheaper cuts of meat and make them delicious, roll them in flour, brown quickly and then let them simmer slowly a long time until thoroughly tender. Add carrots, potatoes and other vegetables for flavor and make a brown gravy.

Some suggestions for economical menus are: bean soup; scalloped salmon; cheesy macaroni; rice with tomatoes; vegetable stew, with meat; peanut butter sandwiches; potato and tomato soups; griddle cakes; mushes and porridge.

Peanut Loaf

Mix two cups bread crumbs, one cup chopped peanuts, one cup milk, one egg. Season with salt and a few drops of onion juice. Poultry season and sage may be added if desired. Bake one hour in moderate oven. Serve with cream or tomato sauce.

PRAYER WEEK IS OBSERVED

Presbyterians Attend Special Services, Study Missions

January 25 to February 1 is set aside as a week of prayer and self-denial for the churches of the Southern Presbyterian Church. The local church is observing it with a special program of services throughout the week.

The Ladies of Auxiliary is promoting the study for the foreign mission study book, "The Field is the World," by Dr. James I. Vance of Nashville, Tenn. The first section of this book was given on Sunday morning by the pastor, the Rev. J. A. Flanagan, at the regular church services. The second and third sections were presented Sunday afternoon, the discussions being led by Dr. C. E. Cunningham and Mrs. J. E. Lancaster.

The home mission study book, "Near Neighbors," by Dr. Homer McMillan, executive secretary of home missions, of Atlanta, Ga., will also be studied during this week.

Last Sunday morning the installation service for the newly elected officers was held. J. E. Lancaster was installed as superintendent, C. A. Lowry as assistant-superintendent, Mrs. Lee Leach as secretary and treasurer, and Miss Alice Slagle as organist. A beautiful Bible was presented to Mr. Lowry, the retiring superintendent, by the members of the school as a token of their appreciation and affection for the years of devoted service which he has given to the Sunday school and church.

A special program on missions was presented before the Sunday school by the members of the intermediate and young people's departments of the school under the direction of Miss Myrtle Frances Wyatt and Mrs. Gus Leach.

Dr. Lambert Now Endorses Sargon

"I was spending the winter in San Antonio, Texas, when I first heard of Sargon. The treatment appealed to me because of its

DR. GILBERT S. LAMBERT

thorough scientific background. I decided to try it for a very bad form of chronic constipation, which I was entirely unable to correct with ordinary laxatives and purgatives used in general practice.

"I was also subject to severe bilious attacks. My complexion had become yellow as though I had jaundice. My appetite was below normal. My food did not digest or assimilate, causing gas and indigestion. I was losing weight and strength rapidly.

"Three bottles of Sargon and one bottle of the Pills relieved me entirely of these troubles and I no longer have any liver or biliary symptoms. In fact, I am in better physical tone than in years.

"Sargon undoubtedly represents a real advance in the field of medicine."—Dr. Gilbert S. Lambert, San Francisco.

FORD SMOOTHNESS

The new Ford has more than twenty ball and roller bearings

EVIDENCE of the high quality built into the new Ford is the extensive use of ball and roller bearings. There are more than twenty in all — an unusually large number. Each bearing is adequate in size and carefully selected for the work it has to do.

At some points in the Ford chassis you will find ball bearings. At others, roller bearings are used regardless of their higher cost. The deciding factor is the performance of the car.

The extensive use of ball and roller bearings in the new Ford insures smoother operation, saves gasoline, increases speed and power, gives quicker pick-up, decreases noise, and gives greater reliability and longer life to vital moving parts.

Other outstanding features that make the new Ford a value far above the price are the Triplex shatter-proof glass windshield, silent, fully enclosed four-wheel brakes, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, chrome silicon alloy valves, three-quarter floating rear axle, Rustless Steel, the extensive use of fine steel forgings, and unusual accuracy in manufacturing.
