NOTICE FOR BROTHER CUNNINGHAM

Funeral services were held Thursday afternoon at Maple Springs Baptist church, in Swain county, for Brother Rufus T. Cunningham. Brother Cunningham was 69 years of age, and spent his last days at his daughter's home, Mrs. J. H. Coffey, of Bryson City.

Brother Cunningham's death came late Wednesday night after several months of poor health. His home was at Almond but had spent several weeks with his daughter at Bryson City. Brother Cunningham was born in Macon county on April 8, 1862, later moving to Needmore, in Swain county, and there married Miss Mary J. DeHart.

At one time Brother Cunningham was in the mercantile business. Later he began farming on a large scale.

He is survived by several children including Mr. Robert Cunningham, who works in the eastern part of the state as a highway foreman, but owns a home on Green street, where his family lives.

Brother Cunningham was a charter member of the Cullasaja lodge of the J. O. U. A. M. He worked faithfully for the lodge from the first until the end. He was a great Junior and lived up to the brotherhood.

The Juniors of Cullasaja Council failed to bury Brother Cunningham due to some misunderstanding of some kind.

PERSONAL MENTION

Mr. Robert L. Poindexter has been walking the roads with inflammation of the cellular tissue and periosteum on a finger—in other words he has a felon on his finger. Mr. Poindexter has all the Brothers' sympathy, but I bet that doesn't ease his pain.

Brother C. M. Moore has been very ill with a case of fishing fever. But it hasn't killed him after worrying with it for nearly sixty years. It has changed lately from bass to red-head fever, but the latter is not deadly.

Three weeks of our J. O. U. A. M. news corral and not a line from any brother. This corner, as explained before, is for all Juniors to use. When you have any news—when you have anything to tell the brotherhood for their good, you are urged to send in that news. Make this corner a county gossiping place for Junior news. I am going to try to please you one and all, but unless

you help, maybe I won't. So please see that your Council has something to be published each week.

BRIEFS

Brothers, since the rabbit season is open let's get rid of that hungry look and get our Council to put on a drive for Press subscriptions, and if we don't need the money for the lodge, play Santa Claus this coming Christmas to some poor children. They will enjoy a treat.

We ought to be proud of our order and know some of its history. As soon as I get the data, I am going to have the history of each Council published, stating when the charter was issued, number of members, etc., printing one a week, beginning with the oldest.

A man asked me, not long ago, since ours was called the Junior Order, was there a Senior Order? Will some of you Brothers help me answer the question?

The Junior Order United American Mechanics was organized in 1853. Today there are over 400,000 members. National headquarters, 3027 Broad Street, Philadelphia, Pa., national counselor is Omer C. Stubbs; national secretary, James L. Wilmath.

We are not the largest order in the country, but growing. Below are listed a few of the other orders, when organized and number of members:

Table with 2 columns: Order Name, Year, Members. Includes American Federation of Labor (1876, 3,396,063), Eastern Star (1876, 2,005,601), Elks (1868, 800,000), Freemasons Ind. (1819, 2,463,177), Order (1882, 618,611), Knights of Pythias (1864, 700,000), Columbus (1882, 618,611), Knights of Pythias (1864, 700,000), Modern Woodmen of America (1883, 859,877), Moose, Loyal (1888, 6,591,780), Order (1819, 2,463,178), Odd Fellows, Ind. 7. Business session.

During the business session of the meeting the following society officers were selected for the second half term of the school year: President, Eddis Claire Painter; secretary, Verna Shepard; committee, No. 1, Cecile Gibson and Lula Flowers; committee, No. 2, Rebecca Dalton and Bill Elmore.

Armistice Day Program

The Armistice Day program given in our school was greatly enjoyed by both the school children and members of the community who were present. Two members of our school committee, Mr. W. H. Dalton and Mr. E. O. Rickman, were present and rendered very interesting talks. Mr. Rickman was in charge of the devotional exercise, while Mr. Dalton gave a very interesting and impressive history of the national Red Cross.

Mr. Theodor Hurst, a World War soldier, portrayed to us a very vivid and striking picture of "Flanders Field," "No Man's Land" and what the American soldiers accomplished "Over There." His talk was enjoyed especially by the school children who are now studying the history of the World War.

Personal Mention

Miss Verna Shepard was visiting her aunt and uncle, Mr. and Mrs. George Raby, the past Sunday.

Mr. and Mrs. J. B. Hurst were visiting his father, Mr. J. C. Hurst Monday.

Mrs. Walter Mason was visiting her sister, Mrs. Bertha Shepard, Saturday.

Mr. Dover Hurst left recently to work with the Blackwood Lumber company above East LaPorte.

Miss Jennie V. Dalton and her mother, Mrs. Grady Dalton, were visiting Mr. and Mrs. W. H. Dalton Sunday.

Mrs. E. O. Rickman and daughter, Alice and Edythe, were visiting Mr. and Mrs. J. W. Rickman Sunday.

Mrs. Lela Dalton and Miss Eddis Claire Painter were the guests of Mrs. W. H. Dalton Sunday.

Mr. and Mrs. Sammie Downs and little daughters, Irene and Betty of Asheville, were visiting Mr. and Mrs. E. Z. Downs the past weekend.

Positive Proof of FORD ECONOMY

City of Detroit purchases 137 new Ford cars. Hundreds now in use prove low cost of operation.

THESE 137 new Ford cars represent one of the largest deliveries ever made to a municipality at one time.

21 radio-equipped Ford scout cars were traded in on this purchase. They had been operated day and night for two years in heavy traffic and all kinds of weather.

Their individual records ranged from 78,434 miles to 143,723 miles with a grand total of 2,283,097 miles. The operating cost of the 21 cars was 2.284 cents a mile—less than 2 1/3 cents. This cost included all fuel, oil, tires, repairs and every other item except depreciation and insurance.

Of 577 Ford cars in Detroit City service, the 300 in the Police Department traveled a total of 6,591,937 miles during the past fiscal year, at an average cost of 2.9 cents a mile.

Many claims have been made on operating costs, but here in the carefully kept motor car records of the City of Detroit is positive proof of Ford economy.

In the paragraphs above, it is seen that 21 Ford scout cars averaged less than 2 1/3

cents a mile and 300 Ford cars in all branches of Detroit police work averaged 2.9 cents a mile!

Day and night, twenty-four hours a day, these Ford cars are in operation. Few branches of transportation demand such grueling service. The records show that low fuel and oil consumption is but one of the Ford's many economies. Ford materials, simplicity of design and accuracy in manufacturing provide unusual strength, stamina and freedom from replacements and repairs.

The individual car buyer as well as the purchasing department of a city or a business cannot afford to ignore the proved economy of the Ford car.
