Sweet Dreamstuff

Black rayon jersey nightgown.

By VERA WINSTON

THE NIGHTIE that looks for all the world like an evening frock, seems to be on the way back. Here's one such nightgown, fashioned of black rayon jersey which is a fine example of the handsome knitwear now being made. Cordings of black band the black net which forms the low round neck and puffed sleeves. The bodice fits snugly to contrast with the skirt which is gathered, with cording distending the hips.
