It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.  
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.  
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

Carla Cowan is the daughter of Mr. and Mrs. Leo Cowan and a granddaughter of Mrs. G. K. Bess and the late Dr. Bess. Already Carla shows her particular fondness for pets—When the neighbor's dog is over, she plays with him by pulling him around by his tail. She also likes to tell people her age. We wonder if that will be one of her characteristics when she is well older?

### Sylva High Has Junior-Senior Banquet

On last Thursday evening the Junior class of Sylva High school was host to the senior class and several invited guests at the annual Junior-Senior banquet in Allison building. The "Dog Patch" idea had been carried out in the decorations and the appointments. This had been interwoven with the school colors of black and gold.

The tables, covered with white cloths, had strips of black and gold paper running along the center. On these were placed bowls of jonquils and miniature pigs, replicas of "Salome", the Dog Patch pig.

A small log cabin, the home of Pansy, was placed in the front of the building. Corn cob pipes were given as favors. The programs had one of the traditional turnips of Dog Patch painted on the front cover.

Myriad balloons and streamers of black and gold draped and hanging from the ceiling completed the decorations.

Proceeding the dinner a program of toasts and responses was carried out. Jimmy Bales, president of the junior class gave a toast to the seniors. Kent Coward, president of the senior class, responded. Friends and faculty were toasted by Jack Hennessee and Charles Stillwell, with Mr. Corbin responding. Barbara Jo Cook of the senior class then proposed a toast to the juniors and Jacqueline Holden responded.

Toasts to ambition and to childhood were given in Dog Patch style by Hal Wilson and Jacqueline Shields.

Rev. W. Q. Grigg asked the blessing and the dinner was served by a group of girls, dressed as Daisy May and Lil Abner.

Following dinner, Jimmy Bales introduced Mrs. E. L. McKee, guest speaker for the occasion. The waitresses then gave a group of three Mountain songs and the entire group joined in singing another trio, fitting to the general theme. The waitresses again did their bit of entertaining, this time putting on an old fashioned square dance.

The program was concluded by three toasts, To the Flag—Darnel Ward; Land of the Sky—Joan Dillard; and Sylva High—Peggy Jo Sutton.

Officers for the senior class are Kent Coward, president, Hal Wilson, vice-president, Mary Bess Henry, secretary-treasurer, Mrs. Venoy Reed and Mrs. Frances Luce, sponsors; for the junior class,

The Cradle Roll and Nursery Departments of the Sunday School are under the direction of Mrs. Garland Jones, Supt., and Mrs. Bart Cope and Mrs. Dick Greene. They are doing grand work with these children.
