OFFER REWARD OF \$600 FOR HALL KILLERS
(Continued from page one)
The crime is one of the most brutal to ever happen in Jackson County, or this area of Western North Carolina. It has attracted the attention of State and Federal officers who are assisting Sheriff Middleton, his deputies, city police officers, and State Highway patrolmen in an effort to solve the mystery surrounding the murder and to bring the guilty party or parties to quick justice. United States Marshall Charles R. Price of Asheville, who has been in this kind of work for 30 years is spending several days here, as well as officers of the State Bureau of Investigation from Raleigh. Marshall Price stated Wednesday that from his experience in such cases and from the brutal method of murdering the couple, the motive must have been both robbery and malice. He and Sheriff Middleton both stated that no effort will be spared until the guilty party or parties are apprehended.

Sheriff Middleton stated that he is having splendid cooperation from the various law enforcement agencies, the state, federal office, city and state highway, all have gathered in to help with the case. Numbers of leads are being investigated and a break in the case is expected within the next day or two.

The crime was skillfully executed as little if any clues were left at the scene of the murder. Mr. Hall was a native and lifelong resident of Jackson county. He operated two taxicabs, one driven by his sister and the other operated by himself. In addition he owned a tourist court, store and filling station, besides other real estate.

The Rev. Lawrence Crawford and the Rev. Ernest Jamison officiated at the funeral.
Pallbearers were: Shirley Beck, Clinton Buchanan, Morgan Buchanan, Kimsey Cope, Hampton Hall, and Ensley Cope.
Honorary pallbearers were: Mark Cannon, Cole Cannon, Wayne Terrell, Roger Monteith, Dr. D. D. Hooper, D. A. Monteith, Harold Hall, Hubert Potts, and Charles Bumgarner.
Relatives were flowerbearers.

Mr. Hall is survived by his mother, Mrs. Lela Hall, of Greens Creek; four brothers, Mack Hall of Greens Creek, Walter Hall, of Franklin, O. L. Hall, of Henderson, Texas, and Emless Hall, of Clute, Texas; and three sisters, Mrs. Andy Robbins, of Candler and the Misses Susie and Annie Hall of Greens Creek. He is a nephew of M. V. Higdon, well known Sylva attorney.

Mr. Hall is survived by her mother, Mrs. Della Ogle Maples, three sisters, and three brothers, all of Tennessee.

"Daddy was terribly worried at first," we think Roger Melvin and Richard Michael thought when they first arrived last November 9. But those worries were soon found to be futile for these twin boys of Mr. and Mrs. Harold Hooper are fine, healthy babies. Now five months old Roger and Richard are not identical but look very much alike and have similar likes and dislikes. They coo and enjoy each other's company in the same play pen.

Lloyd Cowan, son of Mr. and Mrs. R. D. Cowan, of Greens Creek, was discharged from the Navy March 16, 1946 after serving for 30 months on ships in the Pacific area. He was land based in Hawaii and Tokyo for part of this time. He entered service Sept. 3, 1943. He and Mrs. Cowan and their infant daughter make their home in Sylva. He holds a sales position with Bell's Department store.

Jack C. Allison, son of Mrs. J. Claude Allison and the late Mr. Allison, operates Jack's Tire Shop on East Main street. He entered service January 1941 and took his boot training at Norfolk, Va. and was then transferred to the Submarine base at New London, Conn. After six weeks in the submarine school and 12 weeks in the Submarine Diesel school he was sent to Portsmouth Navy Yard at Portsmouth, N. H. where he was assigned to the USS Halibut (SS232) which was commissioned April 4, 1942. The submarine then joined the Pacific Submarine fleet and made nine successful patrols, sinking much Jap tonnage. Jack and his crew had many narrow escapes but all came out safe. The Halibut was decommissioned in the States July 1945 and Jack and his crew were assigned to the USS Irex (SS482) on which they served until he was discharged at Key West, Fla. August 22, 1946.

Dr. Harold S. McGuire was discharged from service December 1945 with the rank of Major. He entered service August 1, 1942 with the rank of Captain and was sent to the Army hospital at Orlando, Florida where he remained the entire time as chief of operative dentistry. Mrs. McGuire and children made their home in Winter Park, Fla., while Major McGuire was in service.

Dr. McGuire and wife, Dr. Patsy McGuire, practice dentistry here in Sylva. They are both active in the work of the Methodist church. Dr. Harold is active in the Rotary club, boy scout work and all other civic affairs of the community.

Raymond R. Nicholson, Jr., son of Mr. and Mrs. Raymond Nicholson, of Sylva, entered service May 16, 1944. He took his boot training at the navy school at Bainbridge, Md., and also attended the Navy school for electricians. When discharged May 16, 1946 he was ranked as Electrician's mate 2nd class. He was stationed in New York for six months where he saw service with convoy crews. Later he was transferred to the Pacific theatre where he took part in three invasion landings. He came through the invasions and returned home unhurt. After being discharged he took two quarters at W.C.T.C. and is now doing contract electrical wiring.

Cunningham On Mound As Legion Downs Franklin 19-0

Phillips And Lee Hit Four For Five

The American Legion won their opening game Sunday by defeating Franklin 19-0.

James Cunningham, Sylva's lanky righthander, found his target in the first inning and gave up but one hit in seven innings. Franklin's lone hit came in the seventh. Sylva was led at bat by Phillips and Lee, each hitting four out of five trips to the plate. The only homer of the game was in the sixth by Phillips.

At present Sylva's remaining schedule is unknown by Manager Paul Warren, but will be announced as soon as completed.

W. C. T. C. Takes Easy 13-5 Victory Over North Georgia Nine

The Catamounts of Western Carolina opened their first home game of baseball by jumping on two North Georgia hurlers for 17 hits and 13 runs. Richard started with 3 for 4, and Hoot Gibson with 3 for 5 to lead the Cat's hitting parade. Both driving in two runs. Gus Colergerakis hit the longest ball of the day in the third inning, connecting for a triple some 365 feet into left field.

Gene Grogan, of Canton, went the route for the Cats, striking out 14 and allowing only three scratch hits. Evans accounted for North Georgia's runs in the 4th inning.

Grogan showed a lot of real stuff in this game and should be a winning pitcher for several more games.

The Cats played two conference games at Lenoir Rhyne on Tuesday and Wednesday, April 22 and 23. They will return home for two conference games on Friday and Saturday, April 25 and 26 with Appalachian. The games will be played on the new field at WCTC beginning at 3:30 p. m.

W.C.T.C. LOSES TO LENOIR-RHYNE, 9-4

Charles Bost, Lenoir-Rhyne catcher and team captain, drove in five runs, two of them on a sixth inning homer, to pace his club to a 9-4 victory over the Catamounts of Western Carolina Teachers College in a North State Conference game at Hickory Tuesday.

It was Lenoir-Rhyne's first conference victory in three starts.

Hospital Nursery In Need Of Equipment

Among the advantages of living in Sylva and Jackson county, as well as surrounding counties, is the fact that we have access to C. J. Harris Community hospital. Founded in 1927 this hospital has contributed to the health and welfare of scores of patients.

We say our hospital is adequate, and it is to a certain extent. It has a most efficient superintendent, Mrs. A. H. Carter, and a staff of registered nurses, together with a number of fine doctors who bring their patients here for treatment and care. But for our National Baby Week issue The Herald is concerned primarily this week with the nursery of the hospital.

The nursery, a light, airy room on the first floor, is equipped with eight white enameled metal bassinets but very often these are not enough—recently there were 23 infants in the nursery. So we can readily see in this respect the nursery is inadequate.

Since all items of clothing and personal care are furnished by the hospital, its supply is continually being depleted and must needs be added to almost daily.

Superintendent Carter stated that donations from any individuals or civic groups given for the upkeep of equipment or supplies of the nursery will be greatly appreciated.

Let us show our appreciation for our hospital and its corps of nurses by contributing something to its nursery.

The world's corn crop in 1946-47, estimated at more than five billion bushels, is the largest on record, according to the U. S. Department of Agriculture's Office of Foreign Agricultural Relations.
