

STATE COLLEGE HINTS TO FARM HOMEMAKER

By VERA STANTON
Assistant State Agent

There is a simple trick of turning jellied cranberry sauce, or any other jelly, out of a can without spoiling the shape of the mold. Food specialists of the U. S. Department of Agriculture say punch a small hole in the bottom of the can first. Then remove the top with an opener that slices the tin evenly around the can. The hole in the bottom allows enough air to get in at this point so that the jelly will slide out easily without the help of a knife.

Food specialists of the U. S. Department of Agriculture report that a slice of apple may be used to loosen brown sugar which has become hard and lumpy. Brown sugar hardens when allowed to dry out. To restore the moisture put the sugar in a tight container, a large glass jar with a screw top or a

Dunham's Orchestra Proves Popular For WCTC May-Day Dance

CULLOWHEE—About 500 persons danced to the music of Sonny Dunham's orchestra in Breesee gymnasium here Friday night. The occasion was a May-Day dance sponsored by the Day Student Government of Western Carolina Teachers college.

Attendance was large, in spite of intermittently rainy weather, and Dunham was well received by the crowd.

Decorations carried an Alice-in-Wonderland motif, with a large mural predominating. Crepe paper streamers in pastel shades of pink, yellow, green, and blue formed a canopy over the floor. Chairman of the decorations committee was Eugene Bryson, who was assisted by George Brown, Mozelle Brown, Shirley Brown, Louise Cowan, Oliven Cowan, and Mary Alice Cowan.

Fannie Lou Frady was chairman of the refreshment committee. The floor committee were: Oliven Cowan (chairman), Rebecca Smith,

metal canister, and include a slice of apple on a bit of waxed paper so the apple does not touch the sugar. In a few days the sugar will absorb enough moisture to be loose again.

To prevent brown sugar from hardening, put it into a glass jar when the package is opened and keep it tightly closed. Air soon dries out the sugar if left in a paper package.

Maybe you brush your blankets to bring up the nap after laundering them, but try extra brushing between launderings too. This keeps them soft and fluffy.

Don't be afraid to wash fluffy bedroom slippers of pile fabrics. Wash them as you would fluffy toy animals or chenille robes. Don't wring at all, but squeeze gently in a towel to remove some of the moisture and brush up the soft nap.

BOARD TO ADOPT MILK REGULATIONS

RALEIGH, May 7—Agriculture Commissioner Kerr Scott announces that proposed milk regulations will be presented to the State Board of Agriculture for final adoption the latter part of this month.

The committee named by Scott to establish minimum Statewide standards for the production and sale of milk has held public hearings within the past few days in Asheville, Charlotte, and Greensboro.

The Asheville meeting was held May 6; Charlotte, May 7; and Greensboro, May 8. On May 12, another hearing will be conducted in Fayetteville, and on May 13 the final meeting will be held in Greenville.

Scott explained that regulations adopted by the Agriculture Board will become effective 90 days after their formal approval.

WCTC Splits Double Header With Appalachian

The Catamounts of Western Carolina Teachers college played Appalachian Teachers of Boone on Friday and Saturday, April 25 and 26 and split the two-game series, winning the first game by a score of 6-4. Gene Grogan, of Canton, held the Apps to 7 hits and struck out nine men. The Cats got to two Appalachian hurlers for seven hits, Barnhorst with two for two led the Cats hitting parade. Gus Calaguakis, with two for four was next best man with the bat.

The Apps came back on Saturday to hand the Cats a 12-10 setback in a free hitting contest. Deyermund started for the Cats but was relieved in the 4th by English. Deyermund allowed 5 hits for 5 runs in 2nd and 3rd innings. English gave up ten hits in 5 innings and allowed 7 runs. The Cats went on a hitting spree in the 9th gathering 6 runs off 5 hits with 2 errors. Bean with 3 for 5 and Fore with 2 for 3 led the Cat hitters. Hall with 4 for 5 and Hope with 2 for 4 led the Apps hitting.

Split With Atlantic-Christian

The Catamounts met the Christians of Wilson, N. C. in a two game series on Monday and Tuesday and pulled out with a split. In the first game the Cats went on a hitting spree to gain 16 to 8 victory, scoring 10 runs on 10 hits in 3rd and 4th innings to take control of the game. They made 17 hits good for their 16 runs. Deyermund started for Western Carolina and was credited with the win, although he had to leave the game in the 5th inning when he was hit by a pitched ball in attempting a bunt. McGinn relieved him in the 6th and allowed 6 runs, 5 of which came in the 9th inning on 4 hits, two bases on balls and one error. Leading the hitting for the Cats were Calagerakis with 3 for 4, McGinn with 2 for 2, and Price with 4 for 5. Price hit safely twice with the bases loaded.

Cooperative agricultural extension work with the United States Department of Agriculture was established by an act of Congress on May 8, 1914.

Nervous Indigestion Seemed To Have A Grip That Nothing Would Relieve, States N. C. Lady

Can Eat Anything Now And Feels Like A Different Person

Among the thousands of well known men and women praising Retonga for the relief this famous herbal stomachic and Vitamin B-1 medicine gave in their own cases, is Mrs. J. H. McIntyre, of Route 1, Fletcher, N. C. Discussing her happy experience with Retonga Mrs. McIntyre declares:

"For four or five years nervous indigestion seemed to have a grip on me that nothing I tried would relieve. I would go for weeks without being hungry but I tried to eat enough to keep body and soul together. I slept so poorly that when morning came I felt almost too tired and worn out to drag myself out of the bed. Constipation compelled me to take a laxative almost every day, and muscular pains in my arms and legs were so severe they kept me in misery for days at a time.

"Retonga gave me grand relief. I sleep better and enjoy my meals without distress. The severe pains in my arms and legs are relieved along with the sluggish elimination. I feel so much stronger that I now do my housework easily. It would be hard to praise Retonga enough."

Retonga is intended to relieve distress due to loss of appetite, insufficient flow of gastric juices in the stomach, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Sylva Pharmacy.—Adv.

FORD Offers the Lowest Priced Cars In Its Field!

The Ford three-window six-cylinder business coupe is now back in production. The price has been reduced twenty dollars below the price which prevailed last fall when production on this model was temporarily suspended.

This reduction, together with those of January 15 ranging up to fifty dollars, makes the Ford business coupe and the two-door sedan the lowest priced cars in their field.

This is in keeping with Ford's policy of offering the greatest value at the lowest possible cost.
