

SERIES OF REVIVAL SERVICES TO BE HELD

The Rev. B. S. Hensley, pastor of Scotts Creek Baptist church, has announced that a series of revival services will be held in this church, beginning Sunday, May 18, and continuing through Sunday, May 25, with services each day at 11 a. m. and 8 p. m.

The Rev. J. C. Canipe, Secretary of Evangelism of the Baptist State Convention of North Carolina will assist the pastor in the revival.

Mr. G. W. Bullard, Superintendent of Missions of the State Convention, will take part in the revival and lead in Stewardship revival each evening at 7 o'clock. The public is cordially invited to all of these services.

CARD OF THANKS

We wish to thank the many friends that paid such a nice tribute of respect to the family and especially to our father during the sickness and death of our mother, Mrs. S. H. Melton of Argura, that answered the last call April 11, 1947, and for the nice floral offerings and kindnesses that were shown to the entire family by everyone.

Miss Mabel McCracken Is Bride Of Carroll Bryson

Miss Mabel McCracken, daughter of Mr. and Mrs. A. J. McCracken of Lake Junaluska, became the bride of Carroll Bryson, son of Mr. and Mrs. T. C. Bryson, Jr., of Sylva, in a candle light ceremony on Sunday afternoon, May 4, at 5 o'clock in the Junaluska Methodist church.

Rev. C. L. Heckard, pastor, officiated. The altar of the church was banked in evergreens, baskets of white gladioli and narcissus were used with seven branched candelabra holding lighted cathedral tapers.

Miss Peggy McCracken, sister of the bride, played "Liebestraum" by Liszt while the candles were being lighted and accompanied Miss Betty Jane McCracken, cousin of the bride, who sang "At Dawning" by Cadman and "Because" by d'Hardelot. During the ceremony "O, Perfect Love" was played. The traditional wedding marches were used for the processional and for the recessional.

The bride, who was given in marriage by her father, wore a white gabardine suit with white accessories and a corsage of orchids. Her only ornament was a brooch belonging to her paternal grandmother.

Mrs. Paul Sutton, sister of the bride, was matron of honor. She wore a two piece dress of gray crepe with navy and white accessories. Her corsage was of red roses.

William Cope of Sylva was best man. Ushers were William and David McCracken, brothers of the bride, Western Ensley of Sylva, and Craig Campbell, cousin of the bridegroom, of Canton.

The bride's mother wore a dress of light blue crepe with black accessories. Her flowers were red roses. The bridegroom's mother wore a gray dress with light blue crepe with black accessories. Her flowers were red roses. The bridegroom's mother wore a gray dress with black accessories and with

WHITTIER HONOR STUDENTS

Joyce Neville Kitchin, left, daughter of Mr. and Mrs. Paul Kitchin, of Whittier has been named valedictorian of the graduating class of the Whittier Elementary school. In her eight years of school she has only missed two days, both of these due to sickness.

Annie Sue Cooper, right, daughter of Mr. and Mrs. Arnold Cooper of Cherokee is salutatorian. There were only a few points difference in the averages of the two girls.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feet constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

Allison Motor Co.

"And Here Are Some Reasons Why!"

"YOUR PICK OF POWER FOR YOUR JOB!"

"Whether you take the V-8 or the big, new Ford SIX, whichever fits your job best, you get the same tough Ford endurance! Flightlight 4-ring pistons and full pressure oiling save oil, keep down engine wear!"

"FORD CLUTCH—famed for 'more grip—less slip!'"

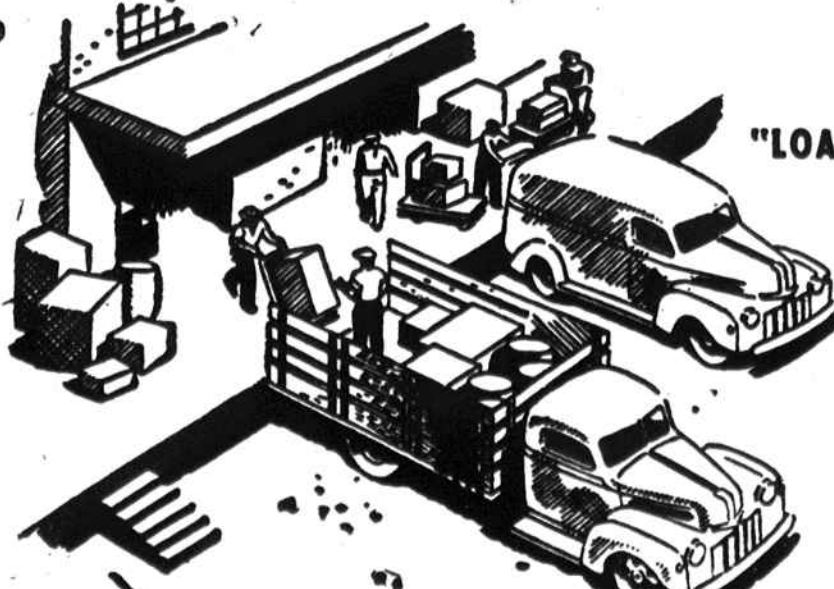

"Clutch lining lasts longer when there's less slipping. These Ford Truck clutches build up their grip the faster the engine turns. Mister, they'll take all the torque you can feed 'em, and come back for more!"

"ROLLER-ACTION STEERING"

"It's not just roller and needle bearings that make Ford steering easy—though there are four of them in a Ford Truck steering gear. But besides all that, the husky worm-gear works against a free-rolling roller instead of an integral sliding sector, and that saves plenty of muscle!"

"LOAD-FREE AXLE SHAFTS!"

"Even in Ford half-ton jobs, the weight-load is all taken off the axle shafts, by the 3/4-floating design... and all other Ford models have full-floating axles. These rugged, load-free axles are among the many 100-life features Ford gives you."
