

## BOARD ADOPTS NEW MILK STANDARDS

RALEIGH, May 31—The State Board of Agriculture has adopted minimum, Statewide standards for the production and sale of milk in North Carolina.

Slated to become effective on September 1, the regulations will serve as a minimum with regard to the State's milk supply—any county or municipality which wants more stringent requirements may have them.

In addition to its action regarding milk, the board also passed a regulation which will require vendors who use milk shake base in making milk shakes and similar milk drinks to post in a conspicuous place a placard bearing the words: "We use milk shake base in the making of milk shakes."

The milk shake regulation also prohibits the use of any artificial coloring in milk shake base, and requires milk shakes to contain not less than two per cent butterfat.

(Milk shake base is substandard ice cream, running three per cent butterfat or less and 13 per cent milk-solids-not fat.)

The recommendations were drawn, and presented to the public in six public hearings held in various towns throughout the State, by a committee consisting of: D. S. Coltrane, assistant commissioner of agriculture, chairman; Dr. J. S. Dorton, State Fair director; Dr. William Moore, State veterinarian; Dr. E. W. Constable, State chemist; and C. W. Pegram, director of the State Dairy Laboratory.

Enforcement of the new regulations will remain where it has always been, with the local health officer. However, a working agreement for enforcement has been drawn by the Department of Agriculture, the State Board of Health, and the local health officers. Both the State and local health officers have pledged their utmost cooperation.

### To Show Appreciation

Bessie and Lester McDonald wish to thank the doctors, superintendent and nurses of C. J. Harris hospital for their very kind and considerate care of their son, Lester, Jr. while a patient at the hospital and who passed away Friday, May 30th. They also wish to thank their friends for the flowers and sympathy extended them.

The members of the 12th grade of Webster high school, photographed in front of the school building, received their diplomas May 15. Seated, left to right, are Beta Green, Margaret Worley, Virginia Nelson, Mary Jo Hall, Mack Bryson (Mascot), Helen Cowan, the Roper Deitz, Agnes Allison, Myrtle Hyatt, Elizabeth Dale Bumgarner.

First row, standing: Nathan Davis, Clemond Buchanan, One Bee Deitz, Pauline Hall, Dorothy Mason, Brittie Mae Deitz, Hattie Schuler, Margaret Buchanan, Evelyn Davis, Marcella Bishop, Gladys Sutton, Herbert Mills, Hamilton Bryson, Jr.

Back row: T. C. Lewis, Lester Wilson, Caro Cole, Worth Bryson, Dean Allman, Ray Mills, Kenneth Deitz, Gene Cowan, Johnnie Painter, Lewis Monteth.

## Weekly SERMONET

### LOOKING UPWARD

By C. M. WARREN

Pastor Sylva Baptist Church

Let us walk together for a few minutes and in a special way think together as we walk. What a joy and pleasure, because I like to know what you are thinking about!

Which way do you like to look most as you walk? Have you ever noticed how many people look downward as they walk? Did you ever have any one to run against you because he was looking down as he walked? I believe that every one should always look up as he walks... don't you? You will remember the story, I am sure, about the man who found a penny. He spent the rest of his life looking down for pennies. After ten years he had found thousands of stick pins, nails, brass tops, etc., but not another penny did he find. He had looked downward so long until he was so bent that he was unable to straighten up and had to look downward the rest of his life.

Our Lord Jesus did many wonderful things for all people. On

## King Visits Paris

KING GUSTAV V of Sweden is shown leaving the Elysee Palace in Paris, France. The Swedish monarch was a guest of France's President Vincent Auriol at a luncheon given in his honor. (International)

one occasion he restored sight to a blind man. The blind man "looked up" and saw some things. Then Jesus put his hands upon the man's eyes and made him LOOK UP. At another time Jesus said to others "Lift up your eyes and look." Always Jesus wanted every one to lift up his eyes and look upward. The people were so happy as they went up to Jerusalem to the feasts that they could say, "I will lift up mine eyes unto the hills, from whence cometh my help."

The best things in life come to us because we look up. The eyes of our souls should always be open and looking upward so that our physical eyes might see the better things in life. Life is beautiful and there are so many wonderful things for us to see. Looking upward causes us to see the beautiful, the noble, the best, in heaven, in God's nature, in our friends, and in others. Yes, looking upward suggests God to our hearts. All good things come to us from above. God's great love, his drawing power, draws us UPWARD.

You are walking life's journey... LOOK UP. If you do not look up, you will fail to see the beautiful handiwork of God. You might fail to see a beautiful cloud which is trying to smile at you; the beautiful leaves and trees waving a glad howdy-do in the morning, at noon, and in the evening-tide; a lovely little bird, sitting on a limb, almost bursting his throat with song to help gladden your way as you journey on; and the cool breath, lift up your head and take a deep refreshing breath... REMEMBER... it is God seeking to do you good. Lift up your eyes, your heart, mind and soul, and you will see God.

If good pastures are provided for hogs, 15 percent of the grain required in growing will be saved. Inspection for the week ending May 10 totaled 301,000 pounds, according to the USDA.

## Vets Problems

Q—Will the government pay for a correspondence course at the same time it is paying my tuition in a night school?

A—The government will pay for the correspondence course only if you are unable to obtain such instruction at the school you are attending. In addition, such course must be in line with your general educational objective.

Q—I am a World War II veteran and would like to know if I can get a guaranteed loan to pay off a debt that is past due?

A—Yes. It can be arranged under certain conditions. Your lender will be able to advise you concerning them.

Q—What must a veteran, who has lost his original discharge, do about getting a replacement?

A—He must apply for a certificate in lieu of the discharge paper from the branch of the service from which he was discharged.

Q—Will a certified true copy or a photostatic copy serve in place of the original discharge paper in getting a guaranteed loan?

A—No.

Q—What loans can be insured by Veterans Administration?

A—Any loan eligible for guaranty is eligible for insurance when made by a supervised lender.

## 'RETONGA JUST WHAT I NEEDED,' SAYS N. C. LADY

"Sometimes I Felt So Weakened And Fagged Out I Could Hardly Stay Up," States Mrs. Davis.

"I have told lots of my friends it's grand medicine," declared Mrs. Mamie Davis, Route 3, Marshall, N. C., one of the best known women in her county. Discussing this famous Vitaminized gastric tonic, Mrs. Davis gratefully continued:

"Retonga not only relieved distress of three years standing for me, but I have regained ten pounds of needed weight. I could hardly look after my house-work. I felt sluggish and tired, had no appetite, and what I did eat didn't seem to give me any strength. I felt high strung and easily upset, I had to resort to the use of laxatives continually, and I lost several pounds in weight. Sometimes I felt so weakened and fagged-out I could hardly stay up."

"Retonga surely brought me the relief I wanted. I now have a splendid appetite, I sleep well, and I feel so good that I am on the go all the time. Even the constipation is relieved. Retonga is the best medicine I ever saw."

Thousands praise this noted medicine. Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Sylva Pharmacy.—Adv.

## FUNERAL SERVICES HELD AT COWARTS FOR FRANK L. BROWN

Funeral services for Frank L. Brown, 25, were held at the Johns Creek Methodist Church at Cowarts Wednesday, May 8, the Rev. Ernest Fitzgerald, pastor of the church, officiating, assisted by the Rev. J. E. Brown. Burial followed in the Cowart cemetery. The American Legion members, with the Rev. W. Q. Grigg as chaplain, were in charge of the graveside rites. Pallbearers and those in charge of the flowers were all cousins of the deceased. Survivors include his mother, Mrs. Callie Brown, sister, Virginia, and brother, Robert, of Cowarts; also three other brothers, Fred of Erastus, George of Monroe, and Henry of Darrington, Wash.

Young Brown served three years and two months in World War II with the 398th Bomber Squadron, one year of which was spent overseas. At the time of his discharge in 1945 he held the rank of sergeant. After discharge he went to Darrington and was employed as truck driver with a lumber firm there. At the time he met his death he was unloading his last load of logs in the evening when a log went astray and rolled on him, severing both lower limbs from his body. He is said to have died from shock as he received no internal injuries.

The body reached Sylva Monday, May 26. Burial arrangements were in charge of Garrett Funeral Home of Waynesville.

Among the out of town relatives here for funeral services were Mr. and Mrs. Henry Brown and son of Darrington, who accompanied the body here; Mrs. Ray McManus, of Monroe; Mr. and Mrs. Jim Brown and family of Canton; and several relatives from South Carolina.

### CARD OF THANKS

We wish to express our thanks and appreciation to our relatives and friends for all the help and kindness shown us during the death of our son, Fred Casey Moore. Also for the lovely floral offering.

Mrs. Maxine Moore and Children

To secure a good strong vigorous calf at birth the dam must be in good condition at calving time.
