Final Plans Being Made For Annual Farm and Home Week

With final plans rapidly shaping up for 1947 Farm and Home Week which will be held on State College campus August 25-29, it is hoped this year's event will be an outstanding one to the more than 5,000 farm men and women expected to attend.

Lectures by such outstanding National speakers as Gen. Dwight D. Eisenhower, Dorothy Thompson, and Congressman Stephen Pace are scheduled. These talks will relate to state, national and international affairs affecting rural people. Other outstanding speakers during the week include: Dr. T. B. Hutcheson, outstanding personality in southern agriculture and Dean of school of Agriculture at Virginia Polytechnic Institute, Blacksburg, Va.; J. B. Hutson, newly elected president of the board of directors of Tobacco Associates, Inc.; and Thomas J. Pearsall, former speaker of the House of Representatives.

There will be a series of talks and discussions, many of them held on the day at the same hour in order to give each person a chance to attend the one in which he is most interested. These periods will deal primarily with new and improved methods and procedures for farm and home activities. They will include such factors as crop and livestock production, farm mechanization, rural health, family relationships, home food supply, labor saving devices, and other points involved in family living.

New home equipment with emphasis on electrical appliances; the latest in farm machinery and new methods in crop production and processing will be featured in exhibits, as well as a number of demonstrations relating to both the home and the farm.

Not forgetting the recreational side of the week, arrangements have been made for visitors to see plaques of historical interest in Raleigh, and visits will be made to the college farms. There will also be group singing, square dances, contests and prizes and other features.

Smoky Mountaineers To Present Program

The W. N. C. Farm Hour will present the Smoky Mountaineers in a show at Hoey auditorium Friday night, July 18. The show will feature guitar and violin playing in a session of mountain music.

Commerce Body Seeks Sentiment Of People On City Hall Delivery

Mr. Felix Picklesimer, president of the Chamber of Commerce, has announced that the organization will start a project to number all the houses in town and to name the streets in the first step toward trying to secure city mail delivery for the town.

Mr. Picklesimer seeks the cooperation of every one in town in this movement. He stated that when they get ready for the numbering, if anyone desires a special illuminated number these can be secured at a reasonable price when bought in quantities.

This does not mean that we will get city delivery, Mr. Picklesimer stated, but it is a step forward. The organization is anxious to have the sentiment of the people as to how they feel toward city delivery.

Just clip out the small coupon below, sign and mail to the Chamber of Commerce office:

- () I would like to see city delivery in Sylva.
- () I am opposed to city delivery in Sylva.

Civilian Jeep Bulldozer

Equipped with a special TMC Hydraulic lift that raises and lowers the bulldozer blade, all four wheels are driving as this civilian jeep wraps roads or fills ditches. Jobs it does as easily as pulling plows or powering farm machinery through a power take-off. Shifted to two-wheel drive, the Willys-Overland vehicle races to the next task at speeds up to 60 miles an hour.
