### Sylva Trounces Marble Here Sunday 19-4

A 22-hit barrage behind the four-hit pitching of James Cunningham and Luther Norton added up to a 19-4 victory for the Sylva Legionnaires over Marbles Sunday afternoon at Sylva.

Sylva took the lead in the first inning by pushing over three runs when Tommy Ellis was hit by pitcher and Clyde Rector and Ben Dillard doubled in succession. Ellis and Rector scored on Dillard's double and Dillard stole third and came home on a throwaway by the catcher. Marble tied the score in the third on a walk and two Sylva errors and went ahead in the fourth on a double by Keener and an outfield fly by Palmer. However, Bob Phillips singled, stole second, and raced home when the catcher threw high over second to retie the score in the bottom of the fourth.

Rector led off the fifth with a single, Dillard followed with a double and George Lee, intent on breaking the 4-4 tie, parked a home run over the centerfield fence and sent Pitcher Snake Lance off

the mound. Sylva scored four more runs in the fifth, seven in the sixth and one in the eighth while Marble did not get hit after the fourth.

James Cunningham, who pitched at Marble Saturday, started on the hill Sunday and held his opponents well under his thumb for the six innings he labored before giving way to Luther Norton of Cullowhee, who pitched hitless ball in his three inning stint. He registered five strikeouts. Clyde Rector with four for five and Bob Phillips with four for six paced the winners at bat.

### Marble Forfeits To Sylva

The Sylva Legion club won by forfeit from Marble on Marble's diamond last Saturday afternoon. The game was a series of arguments until the fifth when, with Sylva leading 8-4, Coffey tripled with Braswell on base. The base ump ruled that Coffey failed to touch first base and called him out. Coffey refused to leave his perch on third and the ump in chief (from Marble) gave him three minutes to vacate the base and resume play. At the end of the specified time Coffey was still trying to hatch third and the ump ruled the game to Sylva by a 9-0 forfeit score.

Ben Dillard and Tilley Baker each had a perfect day at bat in the five innings of play with three for three and two for two respectively.

### Sylva Downs Hiawasse

#### In Labor Day Game

The Sylva Legion baseball club spoiled a Hiawasse, Georgia Labor Day celebration Monday by taking a 10-5, ten inning game from the Georgians. Clyde Rector, turning in his first mound performance of the last half, for Sylva, held the Hiawasse squad to five hits.

Sylva went into the ninth trailing Hiawasse by a 4-1 score and proceeded to take the lead by tallying four times on four hits and a Hiawasse error. Hiawasse scored once in the last of the ninth and sent the game into extra innings.

Singles by Wesley Warren, Jack Cunningham and Ray Brooks and four more errors gave Sylva five runs, the top of the tenth and put the game on ice because Rector sat Hiawasse down three in a row in the last of the tenth.

Wesley Warren with a double, single and three walks in five trips led the Sylva attack while Cunningham had two singles in three trips. J. C. White had 2 for 4 for the losers.

### RETONGA BRINGS RELIEF SHE SOUGHT SEVEN YEARS

#### "I Often Felt So High-Strung And Miserable I Didn't Want To Be Around Anybody—Not Even Myself." States Mrs. Redding. Feels Like Different Person Now

"A few bottles of Retonga gave me the relief I had been trying to find for nearly seven years, and I have gained ten pounds of needed weight, too," happily declares Mrs. D. F. Redding, well-known resident of 9 Park St., Anderson, S. C.

"Many days I felt so high strung and shaky it seemed to me I just couldn't make it through the day. Nervous indigestion tortured me until I never ate more than two small meals a day. My weight went down twenty pounds and my elimination was so sluggish that I lived in dread of having to depend on laxatives the rest of my life. Often I felt so miserable I did not want to be around anyone, not even myself."

"I tried Retonga as a last resort and was happily surprised at the wonderful relief it gave me. Now I have a real appetite, eat anything, and that high strung feeling is relieved. I sleep fine, the sluggish elimination is relieved and I feel better and stronger than in six or eight years. Retonga did more for me than everything else I tried combined."

### Kidneys Must Work Well

For You To Feel Well  
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.
