- If you are severely handicapped, and do not have skills to sell an employer, you should visit the nearest local office of your State Employment Service and discuss your job problems. They will discuss available training opportunities with you and assist you in making a selection.
- GET IN TOUCH WITH YOUR NEAREST STATE EMPLOYMENT SERVICE OFFICE FOR FURTHER DETAILS AND SUGGESTIONS.

FACTS if you need workers

- Practically any job can be filled by some physically handicapped worker.
- Ability of the individual impaired job applicant—his skills, experience, and physical capacity must be weighed against the requirements of the specific job. BUT THIS IS TRUE IN THE PLACEMENT OF ANY INDIVIDUAL, not just an impaired person. THE ONE ESSENTIAL CONSIDERATION IS THAT THE NATURE OF THE IMPAIRMENT BE CLEARLY UNDERSTOOD.
- GET IN TOUCH WITH YOUR NEAREST STATE EMPLOYMENT SERVICE WHEN YOU HAVE JOBS TO FILL.

There is hardly a business, shop, factory, or organization in Jackson county that can't employ disabled veterans to do a job as well as unimpaired employees. A survey just completed by the Department of Labor, in cooperation with Veterans Administration, proves the point.
